**(YOU)<sup>us</sup>**

At Macquarie, we have discovered the human equation for success. By knocking down the walls between departments, and uniting the powerhouses of research and industry, human collaboration can flourish. This is the exponential power of our collective, where potential is multiplied by a campus and curriculum designed to foster collaboration for the benefit of everyone. Because we believe when we all work together, we multiply our ability to achieve remarkable things.

# THE AUSTRALIAN ADVANTAGE

Australia is known as one of the world's most diverse and welcoming countries. Experience a cutting-edge and globally recognised Australian education and get ready for a world of learning and career opportunities in a safe, friendly environment.

## WORLD-CLASS EDUCATION SYSTEM

Australia is one of the standard-setters for excellence in education internationally. The education sector in Australia is based on a network of world-leading education providers, and is underpinned by an enviable system of quality control and government accreditation. Macquarie University joins Australia's globally ranked universities in the top 200 in the world (Times Higher Education World University Rankings, 2021).

## EMPLOYABILITY-FOCUSED DEGREES

Many courses in Australia are structured to help you make the successful transition to your dream career. The internships and industry work experience which are embedded in your course, ensure you are ready for work and well equipped with up-to-date, practical skills demanded by employers. Macquarie's PACE (Professional and Community Engagement) program connects you to more than 30,000 work placements or community experiences with our industry partners.

## SAFE AND MULTICULTURAL ENVIRONMENT

Australia's advanced economy, stable democracy and cultural diversity ensures you can feel safe and welcome. In all major cities, you will enjoy a safe and high standard of living, with the quality of healthcare, transport and infrastructure all above international averages. Thirty per cent\* of the Australian population was born overseas, contributing to the nation's rich cultural diversity. Sydney, where Macquarie is located, is consistently ranked in the best student cities in the world for its safety and multicultural lifestyle.

## REWARDING AND SUPPORTED STUDENT EXPERIENCE

Many universities, including Macquarie, have dedicated, qualified international student, academic and career counsellors to help you make the most of your time here. Your life on campus will be enriched with many extracurricular activities, while your adventures off campus will take you to many world-famous tourist destinations in the land down under.

## EMPLOYMENT OPPORTUNITIES FOR INTERNATIONAL STUDENTS

Australia is a great place to work as an international student, with opportunities for you to work part time while studying subject to your visa conditions. If you are interested in staying in Australia to work after you graduate, you may be eligible for the Post-Study Work stream of the Temporary Graduate Visa<sup>^</sup> subject to meeting the requirements of the Australian Department of Home Affairs.

# (YOU)<sup>US</sup> CAN STUDY IN SYDNEY

If you are looking for a safe and friendly destination offering a dynamic, multicultural experience while you study, look no further than Sydney.

### THE BUSINESS CAPITAL OF AUSTRALIA

Sydney is home to more global firms than any other Australian city. A gateway to Asian economies, the city houses regional headquarters for more than 500 multinational companies. The city also employs almost one-third\* of the Australian workforce, giving you many economic and professional opportunities to kickstart your career.

\* Australian Department of Education, Skills and Employment

### DYNAMIC AND VIBRANT STUDENT CITY

Sydney is one of the most popular cities in the world for international students. Visit free art galleries, watch a movie at the local cinema, set off on a hike or go surfing at the beach – you will never run out of things to do in this dynamic and cosmopolitan destination.

### CONVENIENT PUBLIC TRANSPORTATION

Sydney's transport system is safe, clean and reliable. With buses, trains, ferries and light rail, there are plenty of options to get around the city. Macquarie campus is located just 15 kilometres from Sydney's city centre and is well-connected with an on-campus Metro station and many bus routes.

### MACQUARIE BUSINESS AND TECHNOLOGY PARK

Macquarie Park, one of the fastest growing business regions in Sydney, is the home of the Macquarie University campus. This thriving hub of innovation and discovery brings together academics, students and industry professionals from more than 300 international organisations and corporations. With the major Macquarie Shopping Centre and a wide variety of restaurants, cafés and retail stores nearby, you will enjoy a relaxing and convenient lifestyle with everything that you need at your doorstep.

# CONNECTED INTELLIGENCE

The world's challenges are complex and interrelated. The solutions require thinking that's not constrained by traditional academic boundaries. With a collegial and cross-disciplinary approach at the heart of our ethos, Macquarie is recognised globally for our pre-eminence in research in a broad range of areas.

## REAL-WORLD RESEARCH IMPACT

In applying our research, our discoveries translate into real improvements for local, national and global communities. One such discovery is wi-fi, which our researchers co-developed with CSIRO (the Commonwealth Scientific and Industrial Research Organisation), which has transformed the way the world accesses the internet.

Other innovations such as shark-deterrent surfboards, archaeology at the cutting edge of technology, hearing treatments that unlock a world of possibilities and synthetic yeast that could feed billions demonstrate our collective intelligence and potential to solve real-world problems.

## OUTSTANDING ON THE WORLD STAGE

We are ranked among the highest-performing research universities in Australia. In the 2018 Excellence in Research for Australia (ERA) evaluation, we achieved the highest rating of 5 – outstanding performance well above world standard – in agricultural and veterinary sciences and physical sciences. In total, 100 per cent of our research activity is ranked at world standard or above.

## FUTURE-FOCUSED RESEARCH AGENDA

Our five future-shaping research priorities – Healthy People, Resilient Societies, Prosperous Economies, Secure Planet and Innovative Technologies – provide a focal point for cross-disciplinary research that draws on the deep disciplinary strengths Macquarie is known for, and which are aligned with the national research agenda and global challenges of significance.

**100%**  
of research activity rated at world standard or above (ERA 2018)

**MORE THAN 160**  
researchers have published research that is in the top 1% of publications worldwide

**2800**  
institutions around the world with research collaborations

# A CAMPUS BUILT FOR (YOU) <sup>US</sup>

Our 126-hectare campus is home to more than 44,000 students and 3000 staff. We have invested more than \$1 billion in our world-leading facilities and infrastructure, so you can thrive in an environment that's inspiring and switched on to the latest digital technologies.

 **\$1 BILLION** recently invested to build world-class facilities

 The only Australian university with its own **METRO STATION**

 Australia's first fully integrated **HEALTH PRECINCT**

 **126-HECTARE** campus of open green space and parkland

 Powered by **100%** renewable electricity

**ARTS PRECINCT**  
A transformative learning and research environment for the Faculty of Arts, giving students and researchers enhanced learning facilities and an immersive environment for languages and culture

**MACQUARIE UNIVERSITY INCUBATOR**  
A dynamic space where researchers, students, staff and industry partners collaborate to foster innovation and entrepreneurship

**LIBRARY**  
Featuring millions of academics resources, group and quiet study areas, computers, printers and copiers, presentation practice pods, a café and Australian-first high-tech robotic cranes that deliver books in minutes

**FINANCE DECISION LAB**  
A collaborative learning, teaching and research space where real-time financial data, global business intelligence and your analytical contribution meet

**MACQUARIE UNIVERSITY HOSPITAL**  
Australia's first not-for-profit teaching hospital on a university campus. The hospital is part of MQ Health, a fully integrated academic health science centre fostering excellence in academic research and industry practice.

**ENGINEERING LAB**  
Houses research and teaching facilities in high-power electrical, future networks and software-defined networking, mechanical group projects and robotics

# WHERE COLLABORATION MEETS INNOVATION

Macquarie is uniquely located in the heart of Australia's largest high-tech precinct. Such a location enables you to connect with future employers in some of the country's leading organisations while you're studying. Our industry partners also co-design our degrees to ensure that you'll graduate in demand with the most relevant skill set for the workforce of tomorrow.

## MACQUARIE PARK INNOVATION DISTRICT

Macquarie University is a key partner in the Macquarie Park Innovation District – Australia's premier innovation hub. Bringing together talented students, pioneering academic researchers and seasoned industry professionals, the vibrant technology park is set to transform the way collaboration and innovation is catalysed.

## VENTURE CAFE SYDNEY

Venture Café Sydney will connect you with creators, investors and innovators who are based within Macquarie Park and beyond. As part of the global network of Venture Cafés, our Sydney branch aims to build an innovation ecosystem through our regular programs and networking activities between students, researchers, entrepreneurs, corporates, investors and governmental organisations.

## ON-CAMPUS INNOVATION HUB

The Macquarie University Chi Wah Foundation Incubator is a thriving nexus that will connect you with the broader start-up and entrepreneur community so you can explore, develop and scale your business idea. At the incubator, you can take part in a year-round calendar of entrepreneurial programs, business workshops, international exchanges and networking activities.

## BUILD YOUR INDUSTRY NETWORKS

Could there be a better way to connect with future employers in some of the country's leading organisations than by studying alongside them? Macquarie University is well-positioned in Sydney's fastest growing business region. On our campus, you'll get first-hand exposure to real-world industry practice, network with professionals and learn from some of the best business minds in the world.

# FUTURE SUCCESS SECURED FOR (YOU)<sup>US</sup>

A career that is rewarding and makes a measurable difference in the world is the dream of many. To help you succeed, we have established a set of career accelerator initiatives through which we will educate, enable and empower you to launch your career in whatever field ignites your passion.

## PROFESSIONAL AND COMMUNITY ENGAGEMENT (PACE)

Our unique PACE program – the only one of its kind in Australia – gives you practical experience that's fully integrated into your course. The possibilities are endless – you could intern at an international corporation, join a start-up as one of its first employees or work with local councils to develop community engagement strategies. Our PACE industry partners include international leading organisations such as Konica Minolta, Cochlear and Engineers without Borders Australia.

## GLOBAL LEADERSHIP PROGRAM

Our Global Leadership Program is Australia's flagship tertiary international leadership program, which aims to develop you into a global leader of tomorrow. The program offers many opportunities to learn cross-cultural leadership skills and explore global issues in the form of internships, volunteer experiences and conferences.

## INTERNATIONAL EXCHANGE PROGRAM

Our Student Exchange program is one of the best in Australia, helping you develop desirable job-ready skills before you graduate and getting academic credit at one of our partner institutions. With our generous mobility grant programs, you can choose to undertake a short-term or semester exchange program, learn a new language and make friends from around the world.

## CAREER AND EMPLOYMENT SERVICE

Our on-campus dedicated Career and Employment team assists you in planning for your career, searching and applying for jobs, preparing your résumé and connecting you with industry professionals and recruiters. At any time during your study, you can attend free seminars, get your résumé reviewed, access online resources or book a one-on-one appointment with a careers consultant.

## MACQUARIE STUDENT EMPLOYMENT

The Macquarie Student Employment program helps you gain access to paid employment opportunities on and off campus. Paid employment while studying helps you enhance your employability and develop a range of skills while easing the cost of university study.

**97%**  
of graduates found employment

# WE'RE HERE FOR YOU

University is about much more than graduating with a degree. It's also about awakening your adventurous side and trying new things, creating networks on campus and around the globe, and, most importantly, making friendships that can last a lifetime. However, we know that adjusting to university life can be challenging. To help out, Macquarie offers a range of free resources and support programs that you can access throughout your course.

## STUDENT CLUBS AND SOCIETIES

With more than 130 student groups and sport clubs, Macquarie offers ample opportunities to meet new people, experience other cultures, test ideas and develop personal skills. Created and run by students, student groups help you grow your interests or explore a new hobby.

## SPORT AND AQUATIC CENTRE

The Macquarie University Sport and Aquatic Centre is a multipurpose fitness venue with a state-of-the-art health club, heated 50-metre and 25-metre indoor swimming pools, football and soccer fields, basketball and squash courts, and more.

## ORIENTATION WEEK

A week-long orientation program is held before classes start. You can find out about student groups, support services and extra-curricular programs while meeting new friends from around the world.

## EVENTS ON CAMPUS

You'll always find something of interest at Macquarie, whether it's movie screenings, cultural festivals, theatre performances or art exhibitions. Every year, we also host an annual music festival – Re:Conception, bringing together our community in a fun night of music and entertainment.

## STUDENT WELLBEING

We offer a suite of health and wellbeing services – counselling, disability, welfare, advocacy, medical and religious support – that you can take advantage of any time during your course.

## ACADEMIC SUPPORT

Macquarie offers individual consultations, free workshops and online resources to help you with academic writing, English language skills, exam strategies, online learning technology and more.

## PEER MENTORS

Mentors are current students who can help you find your way around campus and give you tips on how to settle into life at Macquarie. You can select and connect with your mentor during Orientation Week.

## DEDICATED INTERNATIONAL STUDENT SUPPORT

With dedicated international student advisors, we can provide you with personalised advice and support programs about all aspects of university life, your student visa, your wellbeing and your academic performance. Macquarie is also the first university in New South Wales to offer you free access to My Legal Mate, an innovative and multilingual legal information app.

# A CAMPUS (YOU) <sup>US</sup> CAN CALL HOME

Macquarie University is a campus you can call home. Uni life includes more than study. It's an experience in itself. There's no better way to get the most out of your time at Macquarie than in our on-campus premium accommodation.

Find out more  
[mq.edu.au/accommodation](https://mq.edu.au/accommodation)

## NEW UNIVERSITY RESIDENCE

Newly opened in early 2021, our new student accommodation will be all the buzz around campus! Designed as part of the Central Courtyard precinct, our premium accommodation offers 342 rooms with the option of studio, twin-, four- or six-bedroom apartments.

This University owned and managed accommodation was created to set you up for success at University, and beyond. Our secure, inclusive and healthy environment brings you the best of all worlds. Enjoy a busy social calendar, make friends from across the world and excel at university with our unparalleled on-site support.

### WHY CHOOSE US?

- Join a diverse and welcoming university community
- Secure building access and 24/7 onsite service team
- Enjoy exceptional facilities such as games rooms, communal kitchens, air conditioning, study spaces and fast internet access
- Fun, vibrant and diverse Residential Life Program
- Access on-site residential advisors, peer mentors, tutoring options and support workshops
- Seamless transition to an independent lifestyle every step of the way

## OTHER ACCOMMODATION OPTIONS

### DUNMORE LANG COLLEGE

An all-inclusive college with a strong focus on artistic, recreational and educational pursuits. Full board options, gym membership and tutoring are included.

### MORLING RESIDENTIAL COLLEGE

A 100-bed facility situated next to campus offering a wide range of affordable accommodation options, from catered to independent living

### HOMESTAY

Homestay – living with a family – provides you with your own bedroom, meals and a quiet place to study. Clothes washing and other services may be provided.

### MACQUARIE UNIVERSITY VILLAGE

Combines independent, apartment-style living with a busy social events calendar and a 24-hour support network. Enjoy living just minutes from class.

### ROBERT MENZIES COLLEGE

Offers both self-catered and fully-catered accommodation in private, fully furnished study bedrooms with shared bathrooms or private ensuites

### PRIVATE ACCOMMODATION

Private off-campus accommodation is offered exclusively to Macquarie students and vetted by the Macquarie Accommodation team.

# COURSES MADE FOR (YOU)<sup>us</sup>

It's our unique approach for learning inspired by the world of ever-increasing change. Imagine being empowered with greater choice, flexibility and diversity to meet this change. Well, that's exactly what we embody in our innovative curriculum.

More flexible and better aligned to your needs, our curriculum will deliver you a richer experience that will enable you to gain broader or more specialised knowledge in the areas that interest you and empower you to pursue the careers of tomorrow.

Courses made by **YOU** to the power of *us*.

## INTRODUCING AUSTRALIA'S LARGEST RANGE OF 1 YEAR MASTER DEGREES

It's our mission at Macquarie to prepare our students for the future – whatever it's going to look like. With experts predicting that by 2025, around 50 per cent of jobs as we know them today won't exist, it's vital that when you graduate from Macquarie, you have a skill set that allows you to reinvent yourself in any industry.

To prepare you for the future, we have created a course structure that allows you to graduate sooner and complete a Master degree in as little as 1 year.

Depending on your prior qualifications, work experience or other recognised prior learning, you may be eligible for a 1 year admission point. The 1 year admission point only requires you to complete the Core Zone units, covering the specific disciplinary or professional requirements of the course.

Refer to page 105 for more information about our 1 year Master degrees.

# 30+

**CHOOSE FROM 30+**  
Master degrees to study in 1 year

**SAVE TIME AND MONEY**  
when completing your studies

**WIDE RANGE**  
of relevant bachelor degrees  
for entry

Find out more  
[courses.mq.edu.au](https://courses.mq.edu.au)

## DOUBLE YOUR EXPERTISE WITH OUR DOUBLE DEGREES

### THE FUTURE'S IN YOUR HANDS

Macquarie has always considered our students to be co-creators in their learning. One of the most exciting features of our curriculum is around your ability to study two degrees at once.

Interested in studying business administration and arts? How about finance and IT or media and communications with marketing? Or maybe you're interested in a less traditional combination – how about science with commerce? We've put together a list of pre-approved preferred double combinations for you to choose from.

Refer to page 106 for more information about our double degrees.\*

### START YOUR CAREER SOONER

Double degrees fast-track your study – you usually complete a double degree one or even two years faster than you would undertaking each degree on its own. This not only saves you time, but money as well.

### IMPROVE YOUR EMPLOYMENT PROSPECTS

Double degrees involve studying two complementary or completely different degrees and can increase your career flexibility and lead to greater employment prospects.

### FEED YOUR CURIOSITY

By undertaking one of our double degrees, you can feed your curiosity and look at things from multiple perspectives – all while gaining two high-quality qualifications.

\* Some double degree exclusions apply.

Note: Each of the listed double degrees on page 106 is registered on CRICOS with the full name 'Bachelor/Master of Combined Studies in (chosen combination of areas of study)'.

# 20+

## Arts and social sciences

Arts graduates are highly sought after by employers because arts degrees ensure you develop high-level skills in a range of areas such as problem solving, research, creative thinking and communication – skills essential for success in the 21st-century workplace. Macquarie's arts, humanities and social science degrees – developed in consultation with industry partners – allow you to turn your passion into a career by exploring your interests in depth, and by honing your skills and knowledge through internships, international exchanges, practical application and expert teaching.

### **INDUSTRY-DESIGNED DEGREES**

We've consulted with large companies and recruiters to ensure that our arts degrees ensure you develop high-level skills in a range of areas such as problem solving, research, creative thinking and communication – skills essential for success in the 21st century workplace. You'll receive a portfolio to impress employers and ensure you'll be in demand whatever your career choice.

### **DEGREES WITH INTERNSHIPS**

Through our multi-award-winning Professional and Community Engagement (PACE) program, you can undertake workplace experiences with more than 3000 industry partners in Australia and across the globe.

### **WORLD-CLASS FACILITIES**

Newly opened in 2020, we've invested in your future with our Arts Precinct. We've created a transformational learning and research-enriched environment with access to enhanced learning facilities, relaxing social spaces, a café, a new showcase area for our museums and immersive laboratories for languages.

<b>DURATION</b> 3 years	<b>INTAKES</b> February, July
<b>FEES</b> \$36,000 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>SELECTION RANK</b> 80	

### OVERVIEW

Combine the study of cultures and global society with the acquisition of an Asian or European language and overseas study to equip yourself with transferable intercultural skills that are highly valued in today's globalised job market.

### SPECIALISATIONS

Chinese International Studies • French and Francophone International Studies • German International Studies • Japanese International Studies • Spanish and Latin American International Studies

### KEY FEATURES

- Develop high proficiency in your target language across various modes of communication.
- Gain an understanding of the society and culture of the countries where your target language is spoken
- Undertake a session-long in-country study program and have the opportunity to complete an internship

### CAREER OPPORTUNITIES

Corporate travel consultant, international aid worker, international business manager, international law consultant (after further study), policy adviser, transnational communications or global communications officer.

## BACHELOR OF Planning

CRICOS CODE 060724M

<b>DURATION</b> 4 years	<b>INTAKES</b> February, July
<b>FEES</b> \$37,600 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>SELECTION RANK</b> 75	

### OVERVIEW

Innovative in its approach to understanding contemporary social, urban and environmental issues in urban and regional planning, this course focuses on recognising the social and cultural diversity of places, and the importance of cross-cultural approaches to research, plan making and impact assessment. It will prepare you for a career in which you have the power to shape more liveable and sustainable urban and regional futures.

### KEY FEATURES

- Cultural, economic, environmental and social dimensions of planning are integrated with a focus on urban management
- Develop areas of concentration in environmental science and management, international development, tourism and heritage, demographics and social science, spatial science and geographical information systems
- Opportunity to undertake an internship with regional, local and international industry partners

### ACCREDITATION

The degree is accredited by the Planning Institute of Australia.

### CAREER OPPORTUNITIES

Development assessor, environmental planner, housing officer, local government planner, place-maker/place planner, social or environmental consultant, social/community planner, strategic planner, urban/town planner.

## BACHELOR OF Social Science

CRICOS CODE 027337G

<b>DURATION</b> 3 years	<b>INTAKES</b> February, July
<b>FEES</b> \$36,000 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>SELECTION RANK</b> 75	

### OVERVIEW

Gain the insights into the science of people, places and social problems. With the skills you'll develop in social research and applied social science, you'll be prepared to make valuable contributions to some of the world's biggest issues.

### KEY FEATURES

- Be equipped with strong data analysis techniques and technologies on social research design, methods, practice and application
- Develop an understanding of issues in culturally diverse social environments
- Undertake an internship with our research partners that provides on-the-job training and the opportunity to work on a research project

### CAREER OPPORTUNITIES

Advocate, change manager, development officer, government or private sector consultant, journalist, justice officer, local government officer, market or social researcher, policy analyst, youth worker.

## MASTER OF International Relations

CRICOS CODE 099175C

D 1

<b>DURATION</b> 1 year	<b>INTAKES</b> February, July
<b>FEES</b> \$37,200 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>ACADEMIC REQUIREMENT</b> Australian bachelor's qualification in a related field or recognised equivalent with a WAM of 65	

### OVERVIEW

We live in an interconnected and globalised world. Being able to understand and evaluate global issues across the social, cultural, legal, political and economic spectrum, therefore, is a highly valued skill that is much desired by government, business and the non-government sector. Through engagement with innovative approaches and thinking, this degree will empower you to comprehend and evaluate contemporary regional and global developments.

### KEY FEATURES

- Learn from experts in the fields of Asian, European, American, African, Australian and Middle Eastern studies
- You'll develop key skills in critical thinking, problem-solving, research and writing, and oral communication
- Opportunity to undertake an internship with an industry partner, as well as a research component under specialised individual supervision

### CAREER OPPORTUNITIES

Roles in foreign affairs, diplomacy, defence, foreign aid and intelligence, international organisations, multinational corporations, trade-focused businesses, journalism and consulting.

## MASTER OF Planning

CRICOS CODE 092011B

<b>DURATION</b> 1.5–2 years	<b>INTAKES</b> February, July
<b>FEES</b> \$37,200 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>ACADEMIC REQUIREMENT</b> Australian bachelor's qualification or recognised equivalent with a WAM of 60	

### OVERVIEW

Receive training in foundations of planning, including planning law, strategic planning, the assessment of development proposals and decision making. This course brings together social and environmental science, as well as practitioners' know-how, to create a rich professional development experience for established and aspiring planners.

### KEY FEATURES

- Develop foundation skills and knowledge in areas such as strategic planning, development assessment, sustainable development and planning law
- Study in the classroom and in the field to deepen your knowledge of planning theory and your practical skills
- Develop the skills and confidence to utilise and interpret complex research and administrative data to independently develop and evaluate public and social policy

### ACCREDITATION

This degree will provide you with the theory, skills and knowledge that urban and regional planners require, and is accredited by the Planning Institute of Australia.

### CAREER OPPORTUNITIES

Environmental planner, local government planner or development assessor, social development or environmental consultant, social planner, strategic planner.

## MASTER OF Public and Social Policy

CRICOS CODE 099509G

D 1

<b>DURATION</b> 1 year	<b>INTAKES</b> February, July
<b>FEES</b> \$33,600 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>ACADEMIC REQUIREMENT</b> Australian bachelor's qualification in a related field or recognised equivalent with a WAM of 65	

### OVERVIEW

With its dual focus on policy analysis and applied social research, this unique course will give you a deep understanding of the forces that shape policy and the processes involved in making it. You'll develop advanced skills in critical analysis to help you design and deliver effective policy solutions that serve the public interest, as well as the confidence to make socially informed judgements in a range of specialist policy areas.

### KEY FEATURES

- The interdisciplinary focus will allow you to study diverse disciplines, including politics, sociology and human geography
- You'll acquire research skills that allow you to engage with and undertake research that addresses the global challenges facing contemporary societies, including sustainable communities, welfare reform, immigration, populism and inequality
- Learn skills in quantitative and qualitative social research, data analysis and policy construction

### CAREER OPPORTUNITIES

Human services consultant, market researcher, parliamentary and electoral office staff, policy adviser, public servant, social and community services manager, social and environmental advocate, social researcher.

# Business

Macquarie Business School is one of Australia's largest business and commerce schools and home to more than 17,000 students from 65 countries. Our acclaimed courses take a multidisciplinary approach, fusing practical learning and innovative thinking in an open, collaborative environment. Delivered by experienced industry practitioners and academics, our globally focused programs offer applied understanding of real business, finance and management issues, underpinned by academic rigour from diverse sources.

### INDUSTRY-DESIGNED DEGREES

Our courses are designed in conjunction with industry. Our unique project-based learning approach to teaching means you'll learn the skills you need to work as a business professional and tackle the challenges facing society.

### DEGREES WITH INTERNSHIPS

Our award-winning Professional and Community Engagement (PACE) program means you'll be able to put your skills into practice long before you graduate. We facilitate an average of 275 internships for our business students each year with our 440 industry partners.

3 years	February, July
<b>FEES</b>	<b>ENGLISH</b>
\$38,800 AUD per year	IELTS 6.5 (6.0 each band)
<b>SELECTION RANK</b>	
85	

### OVERVIEW

Embrace a unique blend of marketing strategy, brand management and digital production, which will set you apart in the job market. As well as learning about the theories modern marketing is built on, you'll develop a thorough understanding of traditional and emerging media, and have opportunities to hone your practical skills in media-related technologies that can be applied in a marketing context.

### KEY FEATURES

- Combine learning in theoretical understanding and practical application in professional marketing and media
- Utilise high-quality media facilities with professional studio spaces and industry-standard digital workstations for all production areas
- Learn from widely published academics, professional marketers and award-winning media producers, all with industry experience

### CAREER OPPORTUNITIES

Art director, broadcasting production manager, creative director, digital marketing manager, marketing communications specialist, marketing consultant, media and public relations specialist, media producer.

## BACHELOR OF Professional Accounting

CRICOS CODE 099149E

<b>DURATION</b>	<b>INTAKES</b>
3 years	February, July
<b>FEES</b>	<b>ENGLISH</b>
\$38,800 AUD per year	IELTS 6.5 (6.0 each band)
<b>SELECTION RANK</b>	
80	

### OVERVIEW

Gain foundation knowledge and skills to understand the challenges and issues facing the world and the accounting profession, which will help you meet the requirements for professional accreditation in accounting.

### KEY FEATURES

- Gain essential accounting and reporting knowledge, as well as a range of business-related skills that will help to benefit your career
- Analyse the challenges and issues facing the contemporary global business environment

### ACCREDITATION

This degree is accredited by the Association of Chartered Certified Accountants, Chartered Accountants ANZ, CPA Australia, the Institute of Management Accountants and the Institute of Public Accountants.

### CAREER OPPORTUNITIES

Accountant, auditor, business analyst, consulting firm manager, financial institution manager, forensic accountant, government policy planner/analyst, merchant banker, stockbroker.

# Education

To be an effective teacher in today's rapidly changing environment, it's important that you possess several key attributes. As a Macquarie teaching graduate, you'll benefit from our uniquely developed 5Rs framework. Through this framework, you'll become a teacher who is resilient, reflexive, responsive, ready to learn and research engaged. Backed by this distinct skill set, you'll inspire, enrich lives, and empower individuals to realise their full intellectual and social potential. You'll also enjoy deep relationships with hub and partner schools, which will enable ongoing engagement with teachers and classrooms to enhance your learning.

## **INDUSTRY-DESIGNED DEGREES**

Macquarie places emphasis on building career skills, offering multiple opportunities for practical experience in a variety of classroom settings. Students work towards teacher accreditation as required by the Australian Children's Education & Care Quality Authority (ACECQA) and NSW Education Standards Authority (NESA).

## **DEGREES WITH INTERNSHIPS**

Macquarie's multi-award-winning Professional and Community Engagement (PACE) program offers you opportunities to engage with real-world teachers and classrooms in our hub and partner schools. You can get access to the classroom for year 1 and start your professional experience from year 2.

## **WORLD-CLASS FACILITIES**

Teach in our simulated classrooms and science labs or work with emerging technologies that are pushing the boundaries of education. You'll also gain access to our internationally recognised on-campus Mia Mia Child and Family Study Centre, and MUSEC (the Macquarie University Special Education Centre where you can work with children K-6 with special learning needs).

Find out more

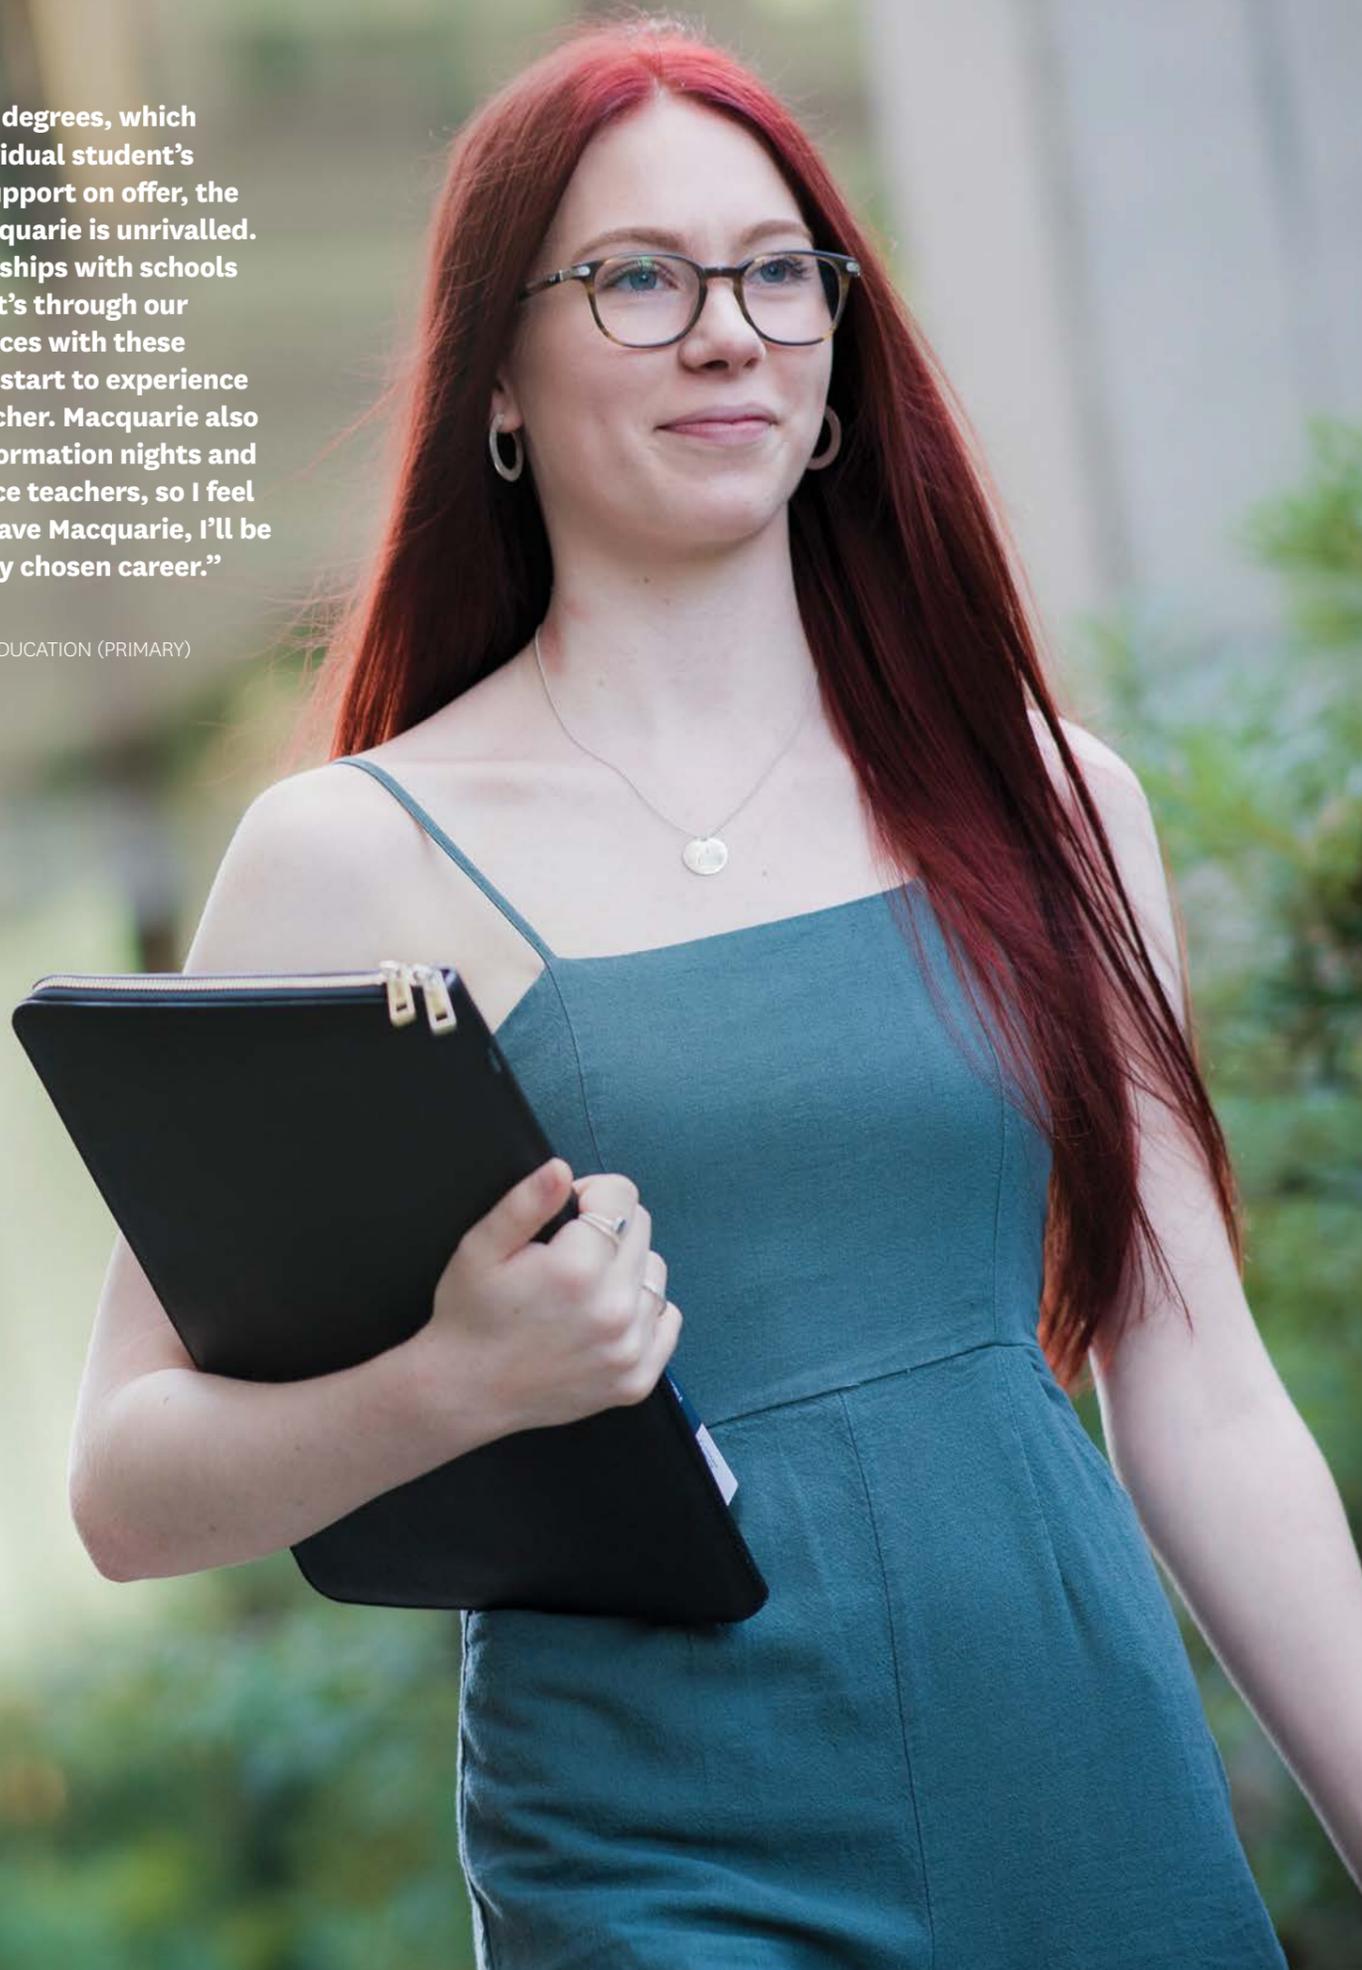

[mq.edu.au/study/find-a-course/information-technologies/](https://mq.edu.au/study/find-a-course/information-technologies/)

“From the tailored education degrees, which are designed to fit each individual student’s interests, to the academic support on offer, the learning environment at Macquarie is unrivalled. Macquarie has great relationships with schools from all across Sydney, and it’s through our teaching practicum experiences with these schools that we really get to start to experience what life will be like as a teacher. Macquarie also offers teaching seminars, information nights and range of advice for pre-service teachers, so I feel very confident that when I leave Macquarie, I’ll be as prepared as I can be for my chosen career.”

Ella Reilly

BACHELOR OF ARTS AND BACHELOR OF EDUCATION (PRIMARY)

## MASTER OF Teaching (Birth to Five Years)

CRICOS CODE 058390B

<b>DURATION</b> 2 years	<b>INTAKES</b> February
<b>FEES</b> \$32,000 AUD per year	<b>ENGLISH</b> IELTS 7.5 (R 7, W 7, L 8, S 8)
<b>ACADEMIC REQUIREMENT</b> Australian bachelor's qualification or recognised equivalent with a WAM of 55	

### OVERVIEW

Quality early childhood education provides the foundation for reading, mathematic and science, and helps young children develop their social and emotional skills. This course will provide you with the specialist knowledge and skills you need to work in prior-to-school settings such as preschools and child care centres.

### KEY FEATURES

- Learn from active early childhood researchers who are leading projects at regional, national and international levels
- Enjoy numerous opportunities to visit and learn from the world-renowned Mia Mia Child and Family Study Centre at Macquarie
- You'll develop analytical and research skills, invaluable in your professional work as a highly qualified teacher.

### ACCREDITATION

This degree is approved by the Australian Children's Education and Care Quality Authority (ACECQA), the government agency responsible for accrediting early childhood teacher qualifications in Australia.

### CAREER OPPORTUNITIES

Birth-to-five years educator in government agencies, non-government organisations, private and community-owned early childhood settings.

## MASTER OF Teaching (Primary)

CRICOS CODE 099189G

<b>DURATION</b> 2 years	<b>INTAKES</b> February
<b>FEES</b> \$32,000 AUD per year	<b>ENGLISH</b> IELTS 7.5 (R 7, W 7, L 8, S 8)
<b>ACADEMIC REQUIREMENT</b> Australian bachelor's qualification that meets subject content knowledge requirements or recognised equivalent	

### OVERVIEW

With a focus on evidence-based learning and teaching that has a positive impact on student learning and wellbeing, this course will support you to become responsive and ready to learn. And it will enable you to gain the knowledge, skills and qualifications required to teach in primary schools or work in associated fields such as curriculum planning, educational research and policy development.

### KEY FEATURES

- Be mentored by classroom teachers during professional experience placements, and benefit from strong relationships with our partner schools in NSW and overseas
- Your learning and research will be technology supported and engaged with strong focus on diversity, inclusive education, and critical and creative thinking.

### ACCREDITATION

Graduates are eligible to teach in government and non-government schools. This degree is accredited by the NSW Education Standards Authority (NESA), and is recognised nationally and internationally by education providers.

### CAREER OPPORTUNITIES

Education officer within a range of public and private organisations, educational adviser to government or other agencies, educational policy planner, educational researcher, secondary teacher.

## MASTER OF Teaching (Secondary)

CRICOS CODE 099190D

<b>DURATION</b> 2 years	<b>INTAKES</b> February
<b>FEES</b> \$32,000 AUD per year	<b>ENGLISH</b> IELTS 7.5 (R 7, W 7, L 8, S 8)
<b>ACADEMIC REQUIREMENT</b> Australian bachelor's qualification that meets subject content knowledge requirements or recognised equivalent	

### OVERVIEW

If you hold a recognised bachelor degree, this postgraduate degree will support you to become a reflexive, resilient and research-engaged teacher in secondary schools. With a focus on evidence-based learning and teaching that has a positive impact on student learning and wellbeing, this course will support you to become responsive and ready to learn, and will enable you to gain the knowledge, skills and qualifications required to teach in secondary schools or to work in associated fields such as curriculum planning, educational research and policy development.

### KEY FEATURES

- Your learning and research will be technology supported and engaged with strong focus on diversity, inclusive education, and critical and creative thinking.
- Be mentored by classroom teachers during professional experience placements, and benefit from strong relationships with our partner schools in NSW and overseas

### ACCREDITATION

Graduates are eligible to teach in government and non-government schools. This degree is accredited by the NSW Education Standards Authority (NESA), and is recognised nationally and internationally by education providers.

### CAREER OPPORTUNITIES

Adult education officer within a range of public and private organisations, adult educator and trainer, educational adviser to government or other agencies, educational policy planner, educational researcher.

# Engineering

Our engineering program uniquely combines a solid foundation in theoretical knowledge with modern, practical skills acquisition and industry experience. You can specialise in civil, electrical, electronics, mechanical, mechatronic or software engineering. Beyond the classroom, you will also have opportunities to expand your learnings and take part in hands-on student groups and projects, such as building satellites and exploring aerospace projects with Macquarie Orbital or chasing a human-powered land speed record with the Macquarie Speed Team.

## **INDUSTRY-DESIGNED DEGREES**

Our courses are designed in conjunction with industry. Our unique project-based learning approach to teaching means you'll learn the skills you need to work as an engineer and tackle the challenges facing society.

## **DEGREES WITH INTERNSHIPS**

Through our multi-award-winning Professional and Community Engagement (PACE) program, you can undertake workplace experiences with more than 3000 industry partners in Australia and across the globe.

## **WORLD-CLASS FACILITIES**

You'll have access to our cutting-edge engineering facilities, including collaborative learning spaces, a dedicated full-pitch *FIRST*<sup>®</sup> robotics field and state-of-the-art wind tunnel.

## BACHELOR OF Engineering (Honours)

CRICOS CODE 087876F

<b>DURATION</b> 4 years	<b>INTAKES</b> February, July
<b>FEES</b> \$39,800 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>SELECTION RANK</b> 80	

### OVERVIEW

Combine a solid foundation in theoretical knowledge with modern, practical skills acquisition and industry experience. You can choose to specialise in civil, electrical and electronics, mechanical, mechatronic or software engineering.

### KEY FEATURES

- Study a project-based professional development curriculum
- Access our new cutting-edge engineering facilities, including collaborative learning spaces, a dedicated full-pitch *FIRST*® robotics field and our state-of-the-art wind tunnel
- Complete an internship or work placement with one of our industry partners from second year

### ACCREDITATION

This degree is accredited by Engineers Australia.

Accreditation applies to the following specialisations:

- Mechanical Engineering
- Mechatronic Engineering
- Software Engineering

## BACHELOR OF Engineering (Honours) with a specialisation in Civil Engineering

D

### KEY FEATURES

- Gain skills to expertly plan, design, construct and operate the infrastructure required of modern civilisation
- Identify complex problems in civil and wider engineering fields, and learn how to formulate innovative solutions using problem solving, design and decision making
- Learn how to recognise global and sustainability implications of prospective solutions to everyday engineering problems

### CAREER OPPORTUNITIES

Civil engineer, construction manager, environmental engineer, structural engineer, urban and regional planner.

## BACHELOR OF Engineering (Honours) with a specialisation in Mechanical Engineering

### KEY FEATURES

- Gain skills to design mechanical systems by developing a strong foundation in basic sciences, as well as advanced knowledge in manufacturing, novel materials and microscale devices
- Learn to proficiently identify, select and apply mechanical engineering theory and analysis, modelling and simulation, and measurement knowledge to address complex problems
- Develop knowledge to design, implement, test and deploy systems where mechanical engineering forms the whole or part of the solution

### CAREER OPPORTUNITIES

Mechanical engineer, aerospace engineer, automotive engineer, CAD technician, control and instrumentation engineer, nuclear engineer.

## BACHELOR OF Engineering (Honours) with a specialisation in Electrical and Electronic Engineering

### KEY FEATURES

- Gain skills to design and operate future electrical energy systems and electronic technologies at the cutting edge
- Develop broad and coherent knowledge of mathematics, science and engineering fundamentals that form the foundation of electricity systems
- Acquire advanced knowledge of electrical energy engineering fundamentals, and relevant natural and physical sciences in the design, analysis and operation of electrical power and energy systems
- Develop advanced theoretical and technical knowledge of electronics engineering to identify, formulate and solve complex engineering problems
- Learn to design, implement, test, deploy and consider the long-term maintenance of large integrated (electronic, mechanical, software) systems

## BACHELOR OF Engineering (Honours) with a specialisation in Mechatronic Engineering

### KEY FEATURES

- Gain skills to design and construct the very robots and their computer systems that will be responsible for creating the autonomous future
- Learn to apply appropriate modelling, measurement and simulation techniques, and design software tools to solve problems in electromechanical engineering areas
- Learn to proficiently identify, select and apply mechatronics engineering theory and analysis, modelling and simulation, and measurement knowledge to address complex problems

### CAREER OPPORTUNITIES

Mechatronic engineer, automation engineer, building management system engineer, control system design engineer, medical technology device engineer.

### CAREER OPPORTUNITIES

Electronics engineer, computer hardware engineer, electrical and electronics designer or manufacturer, project and technology manager, research and design manager.

## BACHELOR OF Engineering (Honours) with a specialisation in Software Engineering

### KEY FEATURES

- Gain skills to program, test and bug-fix software products that could help change the world
- Develop the advanced technical and theoretical knowledge of the fundamental concepts underlying the design, development, operation and performance of software systems
- Learn how to proficiently identify, select and apply software engineering theory and analysis, modelling and simulation to address complex problems

### CAREER OPPORTUNITIES

Software engineer, app developer, tech entrepreneur, mobile technologist, software developer, systems programmer, web developer.

## MASTER OF Engineering in Electronics Engineering

CRICOS CODE 099163G

<b>DURATION</b> 1-2 years	<b>INTAKES</b> February, July
<b>FEES</b> \$38,800 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)

**ACADEMIC REQUIREMENT**  
Australian bachelor's engineering technologists qualification in a related field or recognised equivalent

### OVERVIEW

Consolidate, build on and enhance the theoretical and practical grounding you gained in your undergraduate studies in engineering, and prepare yourself for a career as an electronics engineer. This course will refine your technical and practical skills, and give you in-depth knowledge in analog and digital electronics.

### KEY FEATURES

- This degree meets the Engineers Australia Stage 1 Professional Engineering competency standards.
- Develop a comprehensive, theory-based understanding and learn how to apply that knowledge to contemporary research and development problems in electronics and related fields
- Study in state-of-the-art facilities, including our new cutting-edge engineering laboratories and learning spaces built for collaboration and cross-disciplinary learning

### CAREER OPPORTUNITIES

Automotive electrical engineer, electronics engineer, electronics designer, electronics manufacturer, electronics repairer, information technology manager, precision manufacturer, telecommunications engineer.

## MASTER OF Engineering Management

CRICOS CODE 099168B

<b>DURATION</b> 2 years	<b>INTAKES</b> February, July
<b>FEES</b> \$38,800 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)

**ACADEMIC REQUIREMENT**  
Australian bachelor's qualification in a related field or recognised equivalent

### OVERVIEW

Designed for engineers who are looking to formalise their project management credentials, this course will bridge the gap between the fields of engineering and business management. It will unlock your technical and general management potential, and will enable you to take the next step towards business leadership. You'll gain the skills you'll need to apply innovative business management practices to your technical engineering knowledge so that you can identify opportunities to grow your business through strategic approaches to project management, supply chain management, business leadership and human resources management.

### KEY FEATURES

- This degree aligns with Engineers Australia's College of Leadership and Management.
- Gain practical experience working on collaborative real-life projects using the latest software and technology to be ready for the workforce
- You'll be able to study specialised management units delivered by the AACSB-accredited Macquarie Business School.

### CAREER OPPORTUNITIES

Chief operating officer, consultant, contract manager, executive manager, project leader, project manager, project team leader, vendor manager.

## NOTES

Selection rank is based on the Australian Tertiary Admission Rank (ATAR) for students completing an Australian senior secondary qualification.

See pages 95–98 for conversions to qualifications in your country or visit [mq.edu.au/academic-requirements](https://www.mq.edu.au/academic-requirements)

The academic requirement listed is applicable to the longest postgraduate course duration. Academic requirements vary based on the admission point that you choose.

There might be alternative ways to meet the academic requirements. For more information visit [courses.mq.edu.au](https://www.courses.mq.edu.au)

These annual fees are indicative only and may change.

**D** Double degree options exist for this course. See page 106 or visit [courses.mq.edu.au](https://www.courses.mq.edu.au) for more information.

**1** This course can be completed in one year, subject to meeting the entry requirements for the one-year admission point. See page 105 or visit [courses.mq.edu.au](https://www.courses.mq.edu.au) for more information.

# Information technologies

Our flexible IT courses – developed in consultation with industry – give you the opportunity to specialise in cyber security, data science, game design and development, information systems and business analysis, software technology solutions, or web and mobile app development. As well as developing skills in the latest technologies, you will graduate with in-demand soft skills and capabilities. Your learning is enhanced by our location in Australia's largest high-tech precinct, which is brimming with collaborative, internship and employment opportunities.

## **INDUSTRY-DESIGNED DEGREES**

Our courses are designed to build the capabilities you'll need in the workplace. As well as developing skills with the latest technology, you will graduate highly employable with the technical, communication, project management and teamwork skills to adapt to the future of work.

## **DEGREES WITH INTERSHIPS**

Through our multi-award-winning Professional and Community Engagement (PACE) program, you can undertake workplace experiences with more than 3000 industry partners in Australia and across the globe.

## **WORLD-CLASS FACILITIES**

Macquarie's information technology facilities are cutting edge, giving you the most up-to-date knowledge and skills. We've recently invested \$10 million in the Optus Macquarie University Cyber Security Hub, and are surrounded by industry collaborators in the heart of Macquarie Park Innovation District.

Find out more

[mq.edu.au/study/find-a-course/information-technologies/](https://mq.edu.au/study/find-a-course/information-technologies/)

### BACHELOR OF Cyber Security

CRICOS CODE 099143M

<b>DURATION</b> 3 years	<b>INTAKES</b> February, July
<b>FEES</b> \$39,800 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>SELECTION RANK</b> 80	

#### OVERVIEW

This course, the most up to date in cyber security in Australia, will prepare you to be an in-demand cyber security professional. You'll gain the skills needed to harden organisations against cyber threats by building your awareness of the motivations, mindsets, capabilities and skills of cyber criminals, and by developing your expertise in information security and data privacy, offensive security, digital forensics, applied cryptography, secure coding and artificial intelligence.

#### KEY FEATURES

- Develop foundational skills in areas such as programming, databases, web technologies, networking and security studies from a socio-political perspective
- Connect with leading cyber security experts from the Optus Macquarie University Cyber Security Hub
- Undertake an industry-based project in your final year to solve a real-world problem with a focus on security
- The opportunity to take CISCO networking units and gain experience working with CISCO equipment and technology

#### CAREER OPPORTUNITIES

Chief information security officer, chief privacy officer, ethical hacker, risk analyst, security architect, security consultant, security director, security operations centre manager, source code auditor, vulnerability assessor.

### BACHELOR OF Game Design and Development

CRICOS CODE 099144K

<b>DURATION</b> 3 years	<b>INTAKES</b> February, July
<b>FEES</b> \$39,800 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>SELECTION RANK</b> 75	

#### OVERVIEW

With a thorough grounding provided in software design and development, as well as specialist units that critically appraise video games as designs and cultural media products, this course will equip you with the skills you'll need for a successful career designing and creating the next wave of popular video games and virtual worlds.

#### KEY FEATURES

- The only university degree available in New South Wales which offers technical skills and a critical understanding of video games
- Study all aspects of video games while gaining broad programming and software engineering skills and knowledge
- Solve a real-world problem in your final year that brings your learning together and prepares you for a successful start to your career
- The opportunity to take CISCO networking units and gain experience working with CISCO equipment and technology

#### CAREER OPPORTUNITIES

Creative game director, game animator, game artist, game audio engineer, game designer, game programmer, mobile app designer, mobile app developer, video game system designer, virtual reality/mixed reality developer.

### BACHELOR OF Information Technology

CRICOS CODE 047327M

<b>DURATION</b> 3 years	<b>INTAKES</b> February, July
<b>FEES</b> \$39,800 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>SELECTION RANK</b> 75	

#### OVERVIEW

This course is designed to develop you into a highly skilled and employable information technology professional. You'll develop broad and coherent knowledge and skills from an area of information technology such as software design and construction, applied data modelling and analysis or security problem detection and mitigation and you'll learn how to apply that knowledge to solve real-world problems.

#### MAJORS

Cyber Security • Data Science • Information Systems and Business Analysis • Software Technology • Web and Mobile App Development

#### KEY FEATURES

- Undertake a work-integrated learning activity in your final year with a partner organisation to help prepare for real workplace scenarios
- Enhance your learning experience with our location in Australia's largest high-tech precinct, brimming with collaborative, internship and employment opportunities
- The opportunity to take CISCO networking units and gain experience working with CISCO equipment and technology

#### ACCREDITATION

Completion of this course will satisfy the standard for the professional level of the Australian Computer Society.

#### CAREER OPPORTUNITIES

Business analyst, consultant, data analyst, database designer, game designer, information technology researcher and developer, project manager, security expert, software and app developer, systems administrator.

### MASTER OF Data Science

CRICOS CODE 080284J

<b>DURATION</b> 1-2 years	<b>INTAKES</b> February, July
<b>FEES</b> \$39,800 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>ACADEMIC REQUIREMENT</b> Australian bachelor's qualification in a related field or recognised equivalent	

#### OVERVIEW

Our interdisciplinary approach will provide you with the technical skills you'll need to work in data science across a variety of industries. You'll be able to process and analyse datasets, including big data, use mathematical and statistical modelling techniques, machine learning and data mining to solve challenging problems, and communicate your findings to different audiences.

#### KEY FEATURES

- The interdisciplinary approach across computer science, mathematics and statistics will ensure you develop the skills to apply data science to real-world issues.
- Enhance your learning by our location in Australia's largest high-tech precinct, which is brimming with collaborative, internship and employment opportunities

#### CAREER OPPORTUNITIES

Business analyst, consultant, data analyst, data scientist, entrepreneur, financial consultant, government policy adviser, information technology analyst, market analyst, web developer.

### MASTER OF Information Systems Management

CRICOS CODE 099171G

<b>DURATION</b> 1-2 years	<b>INTAKES</b> February, July
<b>FEES</b> \$39,800 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>ACADEMIC REQUIREMENT</b> Australian bachelor's qualification in a related field or recognised equivalent, with units in business information systems and databases	

#### OVERVIEW

Learn the skills to project manage information systems (IS) design and installation, including assessing business risk, setting the project scope and managing project budgets. Project strategy and systems security are key foundation units, while optional units cover contemporary topics to help give you an edge in the workplace.

#### KEY FEATURES

- Strengthen your understanding of underlying IT principles by applying them to practical, industry-relevant issues
- Opportunity to undertake practical work placements with our industry partners
- Units have been developed in partnership and consultation with industry.

#### CAREER OPPORTUNITIES

IS/IT manager, change manager, systems analyst, IS/IT designer or architect, technology project manager, business solutions manager, chief information officer, e-business manager, business analyst.

### MASTER OF Information Technology in Cyber Security

CRICOS CODE 099172F

<b>DURATION</b> 1-2 years	<b>INTAKES</b> February, July
<b>FEES</b> \$39,800 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>ACADEMIC REQUIREMENT</b> Australian bachelor's qualification in a related field or recognised equivalent	

#### OVERVIEW

Gain up-to-date knowledge and practical training for a successful career in the burgeoning field of cyber security. Completing this course will arm you with technical skills in cryptography, networks, artificial intelligence and mobile data communications.

#### KEY FEATURES

- Study and research cyber security from a technical computing perspective
- Opportunity to undertake practical work placements with our industry partners
- Your learning will be enhanced by our location in Australia's leading high-tech precinct, which is brimming with collaborative, internship and employment opportunities

#### CAREER OPPORTUNITIES

Information security manager, penetration tester, security analyst, security auditor, security consultant, security manager, security operations centre analyst, vulnerability assessor.

### MASTER OF Information Technology in Networking

CRICOS CODE 099173E

<b>DURATION</b> 1-2 years	<b>INTAKES</b> February, July
<b>FEES</b> \$39,800 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>ACADEMIC REQUIREMENT</b> Australian bachelor's qualification in a related field or recognised equivalent	

#### OVERVIEW

Develop an in-depth integrated knowledge of advanced concepts in network and internetwork technologies, and learn how to apply them to solving practical problems in networked IT systems, as well as related topics such as network design and security. If you have undergraduate qualifications in IT, computing or engineering (with suitable units in computer programming), this degree will enable you to transition into the internetworking field.

#### KEY FEATURES

- Research and synthesise alternate solutions, concepts and procedures, and apply expert judgement to networking technologies from organisational and innovation perspectives
- Learn how to synthesise technical knowledge with management and policy aspects of internetworked systems and communicate to wider management and IT professionals
- Opportunity to undertake an industry internship during your studies
- The opportunity to take CISCO networking units and gain experience working with CISCO equipment and technology

#### CAREER OPPORTUNITIES

Cloud computing specialist, network administrator, network analyst, network and systems engineer, network architect, network manager, security specialist.

The academic requirement listed is applicable to the longest postgraduate course duration. Academic requirements vary based on the admission point that you choose. There might be alternative ways to meet the academic requirements. For more information visit [courses.mq.edu.au](https://courses.mq.edu.au). These annual fees are indicative only and may change.

**D** Double degree options exist for this course. See page 106 or visit [courses.mq.edu.au](https://courses.mq.edu.au) for more information.

# Languages and linguistics

Studies in languages and linguistics at Macquarie will prepare you for a range of careers across the globe, such as in business, international affairs, interpreting and translating, journalism or teaching. Whether you're interested in travel, history, literature, politics or international business, expertise in other languages and cultures will lead you to new, life-changing insights and experiences. Studying in the broad field of linguistics – which is the scientific study of language – will increase your knowledge in areas such as child language disorders, how language is processed and stored in the brain, intercultural communication, language acquisition and language sciences.

## **INDUSTRY-DESIGNED DEGREES**

We design many of our degrees with industry so you develop the key skills employers are looking for. The skills you will develop through the study of language and linguistics are in demand across countless industries in our increasingly globalised world, with opportunities in business, international affairs, interpreting and translating, journalism or teaching.

## **DEGREES WITH INTERNSHIPS**

Through our multi-award-winning Professional and Community Engagement (PACE) program, you can undertake workplace experiences with more than 3000 industry partners in Australia and across the globe. You'll also be able to put your language learning into practice through our leading Student Exchange program.

## **WORLD-CLASS FACILITIES**

Our linguistics department is the largest and most diverse in Australia, and one of the best-equipped clinical research environments in the world. Your learning will be enhanced by on-campus facilities like the Australian Hearing Hub, and dedicated specialty labs for translation and interpreting.

Courses certified by NAATI

Find out more

[mq.edu.au/study/find-a-course/languages-and-linguistics/](https://mq.edu.au/study/find-a-course/languages-and-linguistics/)

## BACHELOR OF Linguistics and Language Sciences

CRICOS CODE 099145J

<b>DURATION</b> 3 years	<b>INTAKES</b> February, July
<b>FEES</b> \$32,400 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>SELECTION RANK</b> 75	

### OVERVIEW

The only standalone linguistics course in Australia that will help you develop your understanding of human language, and its uses and applications in human society. You'll learn about the structure of language, human speech production and perception, how language is processed in the brain, how children and adult learners acquire language, how languages vary, and how language is used in different contexts and cultures.

### KEY FEATURES

- Study in the most diverse and largest linguistics department in Australia, and in one of the best-equipped research and clinical environments in the world
- Learn about the commonalities and differences between the world's languages from technical and sociocultural perspectives
- Understand the structure of language in a range of perspectives, including how we produce, perceive, understand and use spoken language

### CAREER OPPORTUNITIES

Accessible communication adviser, journalist, language consultant, language specialist in business and organisations, lexicographer, linguist, researcher, subtitle, clinical audiologist (after further study).

## BACHELOR OF Speech and Hearing Sciences

CRICOS CODE 099151M

<b>DURATION</b> 3 years	<b>INTAKES</b> February, July
<b>FEES</b> \$41,200 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>SELECTION RANK</b> 80	

### OVERVIEW

Prepare yourself for further study towards a career in a number of professions, including clinical work or research in audiology and speech and language pathology, forensic speech science, the development of associated speech and hearing technologies, or teaching English to speakers of other languages (TESOL).

### KEY FEATURES

- Undertake our competitive course as a pathway into the clinical masters courses for your career path as an audiologist or speech-language pathologist
- Learn about the production and perception of spoken language, such as the way we produce speech sounds using the vocal apparatus, how language develops in children, and the relationship between language and culture
- You can choose from a wide range of electives either as companion units to speech, hearing and language sciences, or as units of individual interest. In this way, you build a course that's custom made to meet your individual needs.

### CAREER OPPORTUNITIES

After further study: audiologist, speech pathologist, TESOL practitioner, forensic speech scientist, language researcher; marketing or advocacy roles in speech, hearing or health organisations.

## MASTER OF Applied Linguistics and TESOL

CRICOS CODE 083778G

<b>DURATION</b> 1-2 years	<b>INTAKES</b> February, July
<b>FEES</b> \$33,600 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>ACADEMIC REQUIREMENT</b> Australian bachelor's qualification or recognised equivalent	

### OVERVIEW

In our ever-shrinking and interconnected world, the ability to teach English to speakers of other languages is a highly desirable skill. And the ability to teach with cultural and linguistic sensitivity is even more valuable. With its dual focus, this course will provide you with an understanding of the complex relationship between language use and context, as well as a strong theoretical and practical foundation in the field of teaching English to speakers of other languages (TESOL). This course is delivered on campus, online, or through a combination of both methods.

### KEY FEATURES

- Study a broad range of topics within the area of applied linguistics
- Study with one of the largest and most diverse linguistics departments in Australia, which is home to four research centres

### CAREER OPPORTUNITIES

Roles in TESOL education, curriculum development, literacy education assessment and program evaluation, bilingualism, teacher education, policy development, education management.

## MASTER OF Conference Interpreting

CRICOS CODE 097386G

<b>DURATION</b> 2 years	<b>INTAKES</b> February
<b>FEES</b> \$33,600 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>ACADEMIC REQUIREMENT</b> Australian bachelor's qualification or recognised equivalent with a WAM of 65, and proficiency in one of the available languages	

### OVERVIEW

Enable yourself to develop the specialised skills required in conference interpreting: interpreting in the simultaneous and consecutive modes and advanced note-taking while preserving the meaning, tone and nuance of the original speaker. You'll have the opportunity to undertake effective research to inform your interpreting in a range of high-level scientific, diplomatic and technical domains.

### KEY FEATURES

- This is the largest conference interpreting course offered at an Australian university.
- Enhance your domain-specific skills undertake research for the purpose of interpreting and broaden your linguistic knowledge
- Interpret in simulated conferences from the booths of our purpose-built conference interpreting laboratory

### CAREER OPPORTUNITIES

Conference interpreter; and roles in the publishing, education, government, legal, insurance, banking and finance sectors.

## MASTER OF Speech and Language Pathology

CRICOS CODE 037303B

<b>DURATION</b> 2 years	<b>INTAKES</b> February
<b>FEES</b> \$52,400 AUD per year	<b>ENGLISH</b> IELTS 7.0 (7.0 each band)
<b>ACADEMIC REQUIREMENT</b> Australian bachelor's qualification or recognised equivalent with a WAM of 65, and recent successful completion of specified prerequisite units	

### OVERVIEW

Prepare yourself for a rewarding career in speech pathology, in which you will have opportunities to implement tailored services with individuals who have developmental and acquired communication and swallowing disabilities, and effect potentially life-changing outcomes.

### KEY FEATURES

- Undertake extensive supervised clinical placements to develop your skills in assessment of, and intervention for, individuals with developmental and acquired communication and swallowing disabilities
- Study within the state-of-the-art Macquarie University Speech and Hearing Clinic alongside industry experts
- Undertake a diverse range of coursework units and clinical experiences with a focus on the application of linguistics to communication disability

### ACCREDITATION

This degree is fully accredited by the Speech Pathology Association of Australia.

### CAREER OPPORTUNITIES

Speech pathologist in schools, hospitals, community health centres and private practice.

## MASTER OF Translation and Interpreting Studies

CRICOS CODE 083811M

<b>DURATION</b> 1.5 years	<b>INTAKES</b> February, July
<b>FEES</b> \$33,600 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>ACADEMIC REQUIREMENT</b> Australian bachelor's qualification in a related field or recognised equivalent, and proficiency in one of the available languages	

### OVERVIEW

If you're proficient in more than one language, this course will provide you with the skills and knowledge you'll require to perform translation and interpreting in a range of institutional settings common to community and commercial translation and interpreting practice in Australia and overseas.

### KEY FEATURES

- Train to be a professional translator and interpreter at an advanced level through our accredited course that offers a variety of working languages
- Computer-assisted translation tools embedded across this course will prepare you for the fast-changing marketplace.
- Undertake practicum projects with our industry partners to work directly with clients in a variety of settings

### ACCREDITATION

The program is a NAATI (National Accreditation Authority for Translators and Interpreters) approved course for certification at professional and advanced translator and interpreter's level. This will prepare students for the NAATI certification testing.

### CAREER OPPORTUNITIES

Professional translator and interpreter in governments, courts, hospitals, international conferences, business, regional and international events, broadcasting and publishing.

## MASTER OF Translation and Interpreting Studies (Advanced)

CRICOS CODE 099191C

<b>DURATION</b> 2 years	<b>INTAKES</b> February, July
<b>FEES</b> \$33,600 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>ACADEMIC REQUIREMENT</b> Australian bachelor's qualification or recognised equivalent, and proficiency in one of the available languages	

### OVERVIEW

Earn the knowledge and skills you'll require for a career in this dynamic field. It is set apart from the Master of Translation and Interpreting Studies in that it allows you to achieve greater depth in either translation or interpreting, or in both disciplines. You'll also have the opportunity to take electives that further develop your specialised practice in areas such as subtitling, as well as translation and interpreting in medical, legal and business settings.

### KEY FEATURES

- Design and implement an extensive research project
- Computer-assisted translation tools embedded across this course will prepare you for the fast-changing marketplace.
- Undertake practicum projects with our industry partners to work directly with clients in a variety of settings

### ACCREDITATION

The program is a NAATI (National Accreditation Authority for Translators and Interpreters) approved course for certification at professional and advanced translator and interpreter's level. This will prepare students for the NAATI certification testing.

### CAREER OPPORTUNITIES

Professional translator and interpreter in governments, courts, hospitals, international conferences, business, regional and international events, broadcasting and publishing.

The academic requirement listed is applicable to the longest postgraduate course duration. Academic requirements vary based on the admission point that you choose. There might be alternative ways to meet the academic requirements. For more information visit [courses.mq.edu.au](https://courses.mq.edu.au). These annual fees are indicative only and may change.

LAW  
**TOP 10  
IN AUSTRALIA**  
QS World University  
Rankings by Subject, 2020

# Law

As a pioneer of interdisciplinary law study in Australia, Macquarie prepares you to look beyond law as a set of rules and procedures. You'll be challenged to think around problems and provide more innovative solutions – skills highly valued by employers.

## INDUSTRY-DESIGNED DEGREES

We design many of our degrees with industry so you develop the key skills employers are looking for. Studying law at Macquarie prepares you for a successful career in legal practice, in the public and private sectors. Our graduates have gone on to become some of Australia's leading judges, managing partners, diplomats, members of parliament and senior business executives.

## DEGREES WITH INTERSHIPS

Through our multi-award-winning Professional and Community Engagement (PACE) program, you can undertake workplace experiences with more than 3000 industry partners in Australia and across the globe.

## WORLD-CLASS FACILITIES

Study with the advantages of our high-tech library and innovative MUSE study space, and opportunities for practical experience in our Social Justice Clinic. Our brand-new Michael Kirby Building will soon unite cutting-edge facilities, industry partners and more under one roof.

Find out more  
[mq.edu.au/study/find-a-course/law/](https://mq.edu.au/study/find-a-course/law/)

## BACHELOR OF Laws

CRICOS CODE 080288E

<b>DURATION</b> 4 years	<b>INTAKES</b> February, July
<b>FEES</b> \$40,000 AUD per year	<b>ENGLISH</b> IELTS 7.0 (6.5 each band)
<b>SELECTION RANK</b> 90	

### OVERVIEW

The hallmark of Macquarie's bachelor-level law degree is its recognition of the way legal frameworks underpin global issues. You'll be challenged to think critically about the law to seek innovative solutions to legal problems – skills highly valued by employers. With the option to combine your law degree with any other Macquarie bachelor degree, you can open the way to an array of careers in legal practice, private industry, government, education and community services.

### KEY FEATURES

- Acquire well-rounded and interdisciplinary legal knowledge and study its practical applications in real-world environments
- Opportunity to put your legal knowledge into practice through our award-winning law PACE (Professional and Community Engagement) program

### ACCREDITATION

This degree is accredited with professional bodies regulating the admission of law graduates to legal practice and provides appropriate qualification for admission to practice as a lawyer throughout Australia. Before being admitted as a barrister or solicitor in Australia, graduates are required to complete further legal training including further study of professional development units and supervised experience.

### CAREER OPPORTUNITIES

Barrister or solicitor (with further study), diplomat, lobbyist, manager in the corporate sector, policy officer, politician, senior public servant.

## JURIS Doctor

CRICOS CODE 079539A

<b>DURATION</b> 3 years	<b>INTAKES</b> February, July
<b>FEES</b> \$40,000 AUD per year	<b>ENGLISH</b> IELTS 7.0 (6.5 each band)
<b>ACADEMIC REQUIREMENT</b> Australian bachelor's qualification or recognised equivalent with a WAM of 65	

### OVERVIEW

Be prepared for a range of careers in Australia and globally, as well as satisfy the educational requirements to become a legal practitioner. This course continues Macquarie's tradition of providing interdisciplinary and contextual perspectives on the study of law.

### KEY FEATURES

- Learn about the law in its broader context, looking beyond law as something that has the power to shape lives
- Opportunity to undertake internships and work placements in a range of legal settings in Australia and overseas through our unique law PACE (Professional and Community Engagement) program
- Our small class sizes and dedicated postgraduate classes ensure you're well supported to achieve throughout the course and beyond graduation.

### ACCREDITATION

This degree is accredited with professional bodies regulating the admission of law graduates to legal practice. Before being admitted as a barrister or solicitor in Australia, graduates are required to complete further legal training including further study of professional development units and supervised experience.

### CAREER OPPORTUNITIES

Barrister (with further study), community advocate, diplomat, in-house counsel, lobbyist, policy officer, politician, solicitor (with further study).

## MASTER OF International Trade and Commerce Law

CRICOS CODE 045284M

<b>DURATION</b> 1 year	<b>INTAKES</b> February, July
<b>FEES</b> \$38,800 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>ACADEMIC REQUIREMENT</b> Australian bachelor's qualification in a related field or recognised equivalent with a WAM of 65	

### OVERVIEW

Extend your knowledge of the legal, governance and policy issues relevant to international and domestic trade and commerce so that you develop a broad and well-rounded understanding of the area, as well as skills to advance your career.

### KEY FEATURES

- Develop an understanding of the specialised context to which law and legal principles apply in the sector from interdisciplinary, international and comparative perspectives
- Opportunity to carry out independent research and self-directed learning to develop innovative ideas and solutions to challenge contemporary problems in the field
- Apply sophisticated legal research skills to the resolution of specific legal problems and to the formulation and articulation of international law and policy reform and corresponding application in domestic law

### CAREER OPPORTUNITIES

Roles in multinational corporations; international organisations dealing with finance, trade and development issues; import/export compliance; policy and law reform; and national businesses engaging in international markets.

## MASTER OF Laws

CRICOS CODE 047337J

<b>DURATION</b> 1 year	<b>INTAKES</b> February, July
<b>FEES</b> \$38,800 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>ACADEMIC REQUIREMENT</b> Australian bachelor's qualification in a related field or recognised equivalent	

### OVERVIEW

Simultaneously extend your legal research and your practical legal skills and knowledge to an advanced level. This course offers you the flexibility to focus on a particular area of law, such as environmental law, international law, human rights law or business law, or to choose a broader program of study covering a variety of legal areas. You'll gain the skills to think critically and respond flexibly by applying your research and practical skills to the wide range of potential issues you may confront in your career.

### KEY FEATURES

- Acquire well-rounded and interdisciplinary legal knowledge and study its practical applications in real-world environments
- Hone your critical thinking, problem-solving and research skills at an advanced level to apply your new knowledge to future problems
- Learn from academics with practical experience as legal practitioners and who are actively engaged in research on contemporary legal issues in a broad range of legal areas

### CAREER OPPORTUNITIES

Barrister, business executive, community advocate, diplomat, in-house counsel, lobbyist, policy officer, politician, solicitor, specialist in selected fields of law.

Selection rank is based on the Australian Tertiary Admission Rank (ATAR) for students completing an Australian senior secondary qualification. COMMUNICATION AND  
MEDIA STUDIES  
**TOP 150**  
**IN THE WORLD**  
QS World University  
Rankings by Subject, 2020

# Media, communications and performing arts

Our degrees teach you about emerging media and industry practices while ensuring you have a strong understanding of traditional mass communications. Immerse yourself in communications, performance, interactive design, journalism, music, public relations, screen practice and production, social media, film and sound studies, creative arts industries and management, or non-fiction writing – and set yourself up for a career in the new media landscape.

## **INDUSTRY-DESIGNED DEGREES**

We design many of our degrees with industry so you develop the key skills employers are looking for. When you learn from Macquarie's award-winning practitioners in professional-standard facilities, you'll gain the expert insights and the practical skills needed to succeed in the creative industries now and in the future.

## **DEGREES WITH INTERNSHIPS**

Through our multi-award-winning Professional and Community Engagement (PACE) program, you can undertake workplace experiences with more than 3,000 industry partners in Australia and across the globe.

## **WORLD-CLASS FACILITIES**

You'll have access to world-class industry-standard facilities, including our multi-million-dollar media hub with professional screen, music, radio and performance studios, as well as extensive digital workstations for all production areas. We have one of the biggest and best-equipped screen studios in Australia and a large digital newsroom that mirrors the platforms and systems in use by major broadcasters and online media outlets locally and internationally.

CLINICAL, PRE-CLINICAL  
AND HEALTH  
**TOP 10**  
IN AUSTRALIA  
THE World University  
Rankings by Subject, 2020

# Medicine and health

Macquarie is a world leader in health. We're home to MQ Health – Australia's first university-led, fully integrated health sciences centre – and the Australian Hearing Hub, both of which combine excellence in clinical care with teaching and research. You can choose a career path in audiology, chiropractic, clinical science, community services, counselling, human sciences, medical sciences, medicine, pathology, physiotherapy, public health, speech and language sciences or speech pathology.

## INDUSTRY-DESIGNED DEGREES

We design many of our degrees with industry so you develop the key skills employers are looking for. Our medicine and health courses equip you for a successful career in your chosen profession. With strong practical skills, and knowledge of the evolving challenges in the health sector, you'll graduate ready to make a difference across a variety of areas.

## DEGREES WITH INTERSHIPS

You'll be surrounded by high-quality medical and health facilities, including MQ Health and the Australian Hearing Hub. Here, you'll benefit from hands-on experiences that will drive your learning. You will also have opportunities for clinical placements and expert mentoring.

## WORLD-CLASS FACILITIES

Our facilities integrate education with healthcare, giving you access to cutting-edge learning environments. MQ Health includes our hospital and various specialist clinics. The Australian Hearing Hub also brings leading healthcare organisers together on our campus.

Find out more  
[mq.edu.au/study/find-a-course/medicine-and-health/](https://mq.edu.au/study/find-a-course/medicine-and-health/)

## BACHELOR OF Chiropractic Science

CRICOS CODE 028866G

<b>DURATION</b> 3 years	<b>INTAKES</b> February
<b>FEES</b> \$41,200 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>SELECTION RANK</b> 80	

### OVERVIEW

This course, the longest-running of its kind in Australia, will prepare you for a rewarding career in one of the largest primary health professions. When you combine it with the Master of Chiropractic, you'll be equipped to work in private practice, chiropractic sports medicine, allied health areas, health insurance assessment, medico-legal advising, work health and safety, rehabilitation and research.

### KEY FEATURES

- Acquire strong scientific knowledge in the human body structure, biological change and variability, and human interaction in health and disease
- Clinical placements form part of the course, in University teaching clinics and structured visits to other facilities.
- Study in world-class anatomy labs and get hands-on experience

### ACCREDITATION

To practice in Australia, you need to also complete the Master of Chiropractic and register with the Chiropractic Board of Australia. The bachelor and masters combination has national and international recognition.

### CAREER OPPORTUNITIES

Chiropractor (with further study), allied health worker, healthcare adviser, integrated care professional, rehabilitation service provider, researcher, sports injury specialist.

## BACHELOR OF Clinical Science

CRICOS CODE 087679M

<b>DURATION</b> 2 years	<b>INTAKES</b> February
<b>FEES</b> \$61,800 AUD per year	<b>ENGLISH</b> IELTS 7.0 (6.5 each band)
<b>SELECTION RANK</b> 90	

### OVERVIEW

This innovative and accelerated course focuses on human clinical sciences and builds the foundational professional skills you'll need for a career in medicine, allied health or medical research professions. You'll study at the only university in Australia with a private hospital on campus.

### KEY FEATURES

- The ideal preparation for graduate-entry medicine programs or other postgraduate courses in related fields
- Develop a broad knowledge of the fundamental biochemical, physiological and anatomical workings of the human body
- Undertake work experience in a healthcare setting or a medical research facility

### CAREER OPPORTUNITIES

After further study: medical doctor, physiotherapist, health and medical researcher, dentist, allied health professional.

## BACHELOR OF Human Sciences

CRICOS CODE 080285G

<b>DURATION</b> 3 years	<b>INTAKES</b> February, July
<b>FEES</b> \$37,600 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>SELECTION RANK</b> 80	

### OVERVIEW

This interdisciplinary and flexible one-of-its-kind course in Australia focuses on understanding what makes us human. It brings together aspects of how we learn, how the brain works, how we behave and how we communicate. You'll have the opportunity to study a range of disciplines related to human function including psychology, linguistics, cognitive science, education and health.

### MAJORS

Human Movement • Public Health: Policy and Promotion

### KEY FEATURES

- Connect knowledge about human services and wellbeing to grasp an understanding of the bio-psycho-social dimensions of health within a complex global environment
- Have the opportunity to participate in our PACE (Professional and Community Engagement) program to gain relevant workplace experience
- Enhance your learning with our outstanding health precinct facilities including the Australian Hearing Hub, the Simulation Hub and Macquarie University Hospital

### CAREER OPPORTUNITIES

Community development worker, community health and social advocate, disability services manager, health and community program manager, health and social researcher, health policy planner/administrator, international aid and development worker.

## BACHELOR OF Medical Sciences

CRICOS CODE 020161F

<b>DURATION</b> 3 years	<b>INTAKES</b> February, July
<b>FEES</b> \$37,600 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>SELECTION RANK</b> 85	

### OVERVIEW

The interdisciplinary approach of this course will provide you with a broad background in biological, chemical, biomolecular and biomedical sciences. You'll develop the knowledge and skills you'll need for a career in health and medical science fields, whether that be unravelling the molecular building blocks that underpin disease, developing new drugs to treat or cure disease, implementing biosecurity procedures to overcome emerging disease threats or applying your scientific knowledge to help solve crimes. You'll study at the only university in Australia with a private hospital on campus.

### KEY FEATURES

- Learn to analyse and solve problems in health and medical sciences by designing experiments to test hypotheses, and apply practical tools to conduct investigations
- Collaborate with and learn from leading scientists who are part of MQ Health as Australia's first university-led, fully integrated health sciences centre
- Our industry partnerships will give you access to medical and health industry professionals from your first year of study.

### CAREER OPPORTUNITIES

Biotechnologist, drug discovery and development researcher, forensic scientist, genetic counsellor, health researcher, histologist, hospital scientist, medical researcher, pharmacologist.

Selection rank is based on the Australian Tertiary Admission Rank (ATAR) for students completing an Australian senior secondary qualification. See pages 95–98 for conversions to qualifications in your country or visit [mq.edu.au/academic-requirements](https://mq.edu.au/academic-requirements). These annual fees are indicative only and may change.

# Psychology and cognitive science

When you study psychology or cognitive science at Macquarie, you'll expand your thinking and your employment potential due to our broad and interdisciplinary approach to learning. We're home to first-class facilities for exploring the mind, brain and behaviour using brain imaging and brain stimulation, virtual reality, eye and body movements, hypnosis and simulated environments, to name a few. Our research and clinical practice help thousands of people living with emotional, psychological and cognitive conditions, including anxiety, depression, dementia, dyslexia and schizophrenia.

## **INDUSTRY-DESIGNED DEGREES**

We design many of our degrees with industry so you develop the key skills employers are looking for. Our psychology and cognitive sciences courses are designed to equip you with a holistic, interdisciplinary approach that enhances your employment potential.

## **DEGREES WITH INTERNSHIPS**

Through our multi-award-winning Professional and Community Engagement (PACE) program, you can undertake workplace experiences with more than 3000 industry partners in Australia and across the globe.

We also run clinics for the community, including the Centre for Emotional Health Clinic, the Reading Clinic, the Psychology Clinic and the eCentreClinic – facilities that will support your training as a future psychologist or cognitive scientist.

## **WORLD-CLASS FACILITIES**

Macquarie is home to first-class facilities including a Simulation Hub, an eight-camera motion capture lab, purpose-built psychology clinics and clinical skills training centre, a perception lab and neuropharmacology labs.

Find out more

[mq.edu.au/study/find-a-course/psychology-and-cognitive-science/](https://mq.edu.au/study/find-a-course/psychology-and-cognitive-science/)

## BACHELOR OF Cognitive and Brain Sciences

CRICOS CODE 099142A

<b>DURATION</b> 3 years	<b>INTAKES</b> February, July
<b>FEES</b> \$37,600 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>SELECTION RANK</b> 80	

### OVERVIEW

This course is the only one of its kind in Australia and will provide you with a strong foundation in the rapidly growing fields of cognitive science, neuroscience and computation, with an emphasis on building your critical-thinking and research skills in areas such as science communication, statistics and programming.

### KEY FEATURES

Strong focus on hands-on learning will enhance your research skills through active learning experiences, lab sessions and other research activities.

Active researchers in our on-campus research centres will provide guidance throughout this course.

World-leading labs access and intensive projects will establish and polish your competence as a researcher.

### CAREER OPPORTUNITIES

Computer resource specialist, data scientist, legal research analyst, marketing assistant, medical researcher, physician (after further study), research scientist, science communicator or journalist, software engineer, technical writer.

## BACHELOR OF Psychology

CRICOS CODE 099150A

<b>DURATION</b> 3 years	<b>INTAKES</b> February, July
<b>FEES</b> \$32,400 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>SELECTION RANK</b> 80	

### OVERVIEW

Earn a scientific understanding of the psychological processes that underlie behaviour. You'll get exposure to a wide range of fundamental psychological concepts, as well as to more specialised areas such as child psychology, neuropsychology, social and personality psychology, health psychology and organisational psychology. When followed by an honours year, this course can also be undertaken as a pathway to postgraduate study in psychology, which will enable you to become a qualified psychologist.

### KEY FEATURES

Partner psychology units with science and social science units to learn how psychological practice and theory are rooted in scientific evidence and research

Skills gained in the collection, evaluation and critical analysis of data will enhance employment opportunities in all fields and industries.

Gain relevant workplace experience in a professional or community setting that's relevant to psychology in your third year of study

### ACCREDITATION

This degree is accredited with conditions by the Australian Psychology Accreditation Council.

### CAREER OPPORTUNITIES

Health and community program manager, health researcher, human resources consultant, market researcher, research assistant, social program coordinator or policymaker, trainer and educator.

## BACHELOR OF Psychology (Honours)

CRICOS CODE 021498F

<b>DURATION</b> 4 years	<b>INTAKES</b> February, July
<b>FEES</b> \$41,200 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>SELECTION RANK</b> 90	

### OVERVIEW

Set yourself on the path for a career in specialist fields such as clinical psychology, clinical neuropsychology, organisational psychology or professional psychology. The course involves three years of accredited undergraduate study followed by an honours year in which you complete a research thesis and advanced coursework units. This enables you to apply for entry to a professional masters degree focused on your career of choice.

### KEY FEATURES

This highly respected course prepares you for entry into the psychology profession or higher degree research.

Learn from academics who are international experts in their field

Embrace the opportunity to gain relevant psychology workplace experience in a professional or community setting in your third year

### ACCREDITATION

This degree is accredited by the Australian Psychology Accreditation Council (APAC) and enables you to pursue further study in the profession of psychology or a higher research degree.

### CAREER OPPORTUNITIES

Psychologist (after further study), in business areas (human resources, training, marketing), in related areas (community organisations, government departments and agencies, health departments).

## MASTER OF Clinical Neuropsychology

CRICOS CODE 027374C

<b>DURATION</b> 2 years	<b>INTAKES</b> February
<b>FEES</b> \$38,800 AUD per year	<b>ENGLISH</b> IELTS 7.0 (7.0 each band)
<b>ACADEMIC REQUIREMENT</b> Recent APAC accredited Australian bachelor honours' qualification in psychology (with first class or second class honours division one) or recognised equivalent, and eligibility for provisional or full registration with the Psychology Board of Australia	

### OVERVIEW

Grounded in theory and practice, this course will provide you with the knowledge, skills and qualifications you need to work within a range of clinically oriented areas. Upon graduation, you'll be eligible for registration with the Psychology Board of Australia.

### KEY FEATURES

Three main components: a series of coursework units in areas fundamental to practice and research in clinical neuropsychology, 1000 hours of supervised placement experiences in neuropsychological settings and a research dissertation

Opportunity to undertake placements at the state-of-the-art Macquarie University Psychology Clinic, Australia's only on-campus teaching hospital, and in clinical collaborations with Australia's renowned clinicians

### ACCREDITATION

This degree is accredited by the Australian Psychology Accreditation Council and approved by the College of Clinical Neuropsychologists. Attainment of this degree leads to registration as a psychologist with Psychology Board of Australia and endorsement as a clinical neuropsychologist in Australia.

### CAREER OPPORTUNITIES

Clinical neuropsychologist in hospitals, brain injury units, dementia and aged care units, paediatrics and development disorder units, neurology, neurosurgery and rehabilitation units.

## MASTER OF Clinical Psychology

CRICOS CODE 001396M

<b>DURATION</b> 2 years	<b>INTAKES</b> February
<b>FEES</b> \$38,800 AUD per year	<b>ENGLISH</b> IELTS 7.0 (7.0 each band)
<b>ACADEMIC REQUIREMENT</b> Recent APAC-accredited Australian bachelor honours' qualification in psychology (with first class or second class honours division one) or recognised equivalent, and eligibility for provisional or full registration with the Psychology Board of Australia	

### OVERVIEW

Discover the skills, knowledge and training you'll need to practice as a qualified clinical psychologist. As a graduate, you'll be an expert in the delivery of a range of psychological therapies, and have additional skills to also engage in pursuits such as consultation, public policy, forensic testimony, and program development and administration.

### KEY FEATURES

Undertake a wide range of units in psychopathology, cognitive behaviour therapy and psychological assessment

Supervised practical placements are embedded in this course so you're able to build connections between theoretical knowledge and practical application.

### ACCREDITATION

This degree is accredited by the Australian Psychology Accreditation Council and approved by the College of Clinical Psychologists. Attainment of this degree leads to registration as a psychologist with Psychology Board of Australia and endorsement as a clinical psychologist in Australia.

### CAREER OPPORTUNITIES

Clinical psychologist in hospitals, private practices, consultancies and educational institutions.

## MASTER OF Organisational Psychology

CRICOS CODE 030053E

<b>DURATION</b> 2 years	<b>INTAKES</b> February
<b>FEES</b> \$38,800 AUD per year	<b>ENGLISH</b> IELTS 7.0 (7.0 each band)
<b>ACADEMIC REQUIREMENT</b> Recent APAC-accredited Australian bachelor honours' qualification in psychology (with first class or second class honours division one) or recognised equivalent, and eligibility for provisional or full registration with the Psychology Board of Australia	

### OVERVIEW

Earn the skills, knowledge and qualifications to work as an organisational psychologist in a wide range of organisations such as consultancies, large companies and government departments.

### KEY FEATURES

Supervised practical placements are embedded in this course to enable you to build connections between theoretical knowledge and practical application.

Be a part of the state-of-the-art Macquarie University Psychology Clinic alongside renowned practitioners and researchers

### ACCREDITATION

This degree is accredited by the Australian Psychology Accreditation Council and approved by the College of Organisational Psychologists. Attainment of this degree leads to registration as a psychologist with Psychology Board of Australia and endorsement as an organisational psychologist in Australia.

### CAREER OPPORTUNITIES

Organisational psychologist in public and private organisations, private practice, consultancy and human resources.

# Science

Macquarie is renowned for its expertise in science across astronomy, biodiversity, biology, chemistry, climate science, earth and environmental sciences, marine science, mathematics, physics, statistics and sustainability. In a world more dependent on science than ever before, our in-demand science graduates stand at the forefront of change and innovation. We're home to researchers and academics who are internationally recognised for their work, so you'll study with people who are using their knowledge to make an impact on today's and tomorrow's issues.

## **INDUSTRY-DESIGNED DEGREES**

Our science courses have been designed in conjunction with industry to give you the most up-to-date knowledge and skills you'll need throughout your career.

## **DEGREES WITH INTERNSHIPS**

Through our multi-award-winning Professional and Community Engagement (PACE) program, you can undertake workplace experiences with more than 3000 industry partners in Australia and across the globe.

## **WORLD-CLASS FACILITIES**

Macquarie has an outstanding variety of scientific facilities, from our 11-hectare fauna park to our cutting-edge digital microscopy equipment. You'll take your learning beyond textbooks with our seawater and plant growth facilities, biological sciences museum and much more.

## BACHELOR OF Biodiversity and Conservation

CRICOS CODE 067848J

<b>DURATION</b> 3 years	<b>INTAKES</b> February, July
<b>FEES</b> \$37,600 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>SELECTION RANK</b> 75	

### OVERVIEW

Gain specialist skills by combining studies in plant and animal sciences, genetics, evolution and ecology with environmental and conservation management.

### KEY FEATURES

- Macquarie is home to an 11-hectare fauna park, giving you access to world-class environmental research right here on campus.
- Participate in work-integrated learning, including work placements with one of our many industry partners, field trips and hands-on experiences
- Gain knowledge and skills in the broad range of disciplines that provide the foundation for biodiversity and conservation management, particularly in the Australian context

### CAREER OPPORTUNITIES

Biodiversity informatics adviser, conservation policymaker, environmental assessor, environmental consultant, land manager, natural resource manager, research scientist, wildlife manager, zoo captive breeding programs manager.

## BACHELOR OF Environment

CRICOS CODE 067858G

<b>DURATION</b> 3 years	<b>INTAKES</b> February, July
<b>FEES</b> \$37,600 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>SELECTION RANK</b> 80	

### OVERVIEW

Explore critical environmental systems and processes, relationships between humans and their environments, and the impacts and interactions that influence sustainable futures. As a result, you'll become highly knowledgeable about how individuals, societies and governments can best navigate a path towards a healthy environment and, in turn, towards sustainability, and economic and social prosperity.

### MAJORS

Environmental Management  
Environmental Sciences

### KEY FEATURES

- The only degree in Sydney dedicated to environmental issues ensures a solid grounding in one or more environmental science fields.
- A strong focus on practical work will foster your problem-solving ability, collaboration skills and cutting-edge scientific research knowledge.
- Work on a real environmental project in your final year, with opportunities for work placements with our industry partners

### CAREER OPPORTUNITIES

Climate scientist, ecologically sustainable development officer, environmental geologist, environmental risk analyst, environmental scientist, local council environmental officer, researcher, river and water manager.

## BACHELOR OF Science

CRICOS CODE 001365G

<b>DURATION</b> 3 years	<b>INTAKES</b> February, July
<b>FEES</b> \$37,600 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>SELECTION RANK</b> 75	

### OVERVIEW

Excited by discovery? Learn from world-renowned researchers who are addressing the big issues facing society in Australia and across the world, such as the changing environment, future materials and fuels, and biotechnology. You'll be able to study complementary disciplines or non-science units that feed your curiosity.

### MAJORS

Astronomy and Astrophysics  
Biology  
Biomolecular Sciences  
Chemistry  
Earth and Environmental Sciences  
Human Biology  
Mathematics  
Physics  
Psychological Science  
Statistical Modelling

### KEY FEATURES

- Take mathematics, statistics or coding in your first year to give you the modern foundational skills relevant to future workforce needs
- Opportunity to undertake a work-integrated learning activity in your final year with a partner organisation
- Work in modern labs designed to foster collaboration and cutting-edge scientific research

### CAREER OPPORTUNITIES

Banking and finance manager, government adviser, policy adviser, project manager, research and development manager, science regulator, scientific entrepreneur, scientific researcher, scientific technician.

## MASTER OF Applied Statistics

CRICOS CODE 083779F

<b>DURATION</b> 1-2 years	<b>INTAKES</b> February, July
<b>FEES</b> \$40,800 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>ACADEMIC REQUIREMENT</b> Australian bachelor's qualification or recognised equivalent	

### OVERVIEW

Concentrate on specialised areas of study such as biostatistics, data mining, epidemiological methods, generalised linear models, marketing research, time series and stochastic finance. This course has a strong focus on the application of contemporary statistical methods and the use of the latest computational techniques. The development of relevant computing skills also forms an integral part of this course.

### KEY FEATURES

- Gain a deep knowledge of statistics with applications for the public and private sectors
- Learn how to apply contemporary statistical methods and how to use the latest computational techniques – skills highly valued by employers

### CAREER OPPORTUNITIES

Business analyst, data scientist, finance analyst, marketing analyst, quality analyst, quantitative analyst, risk analyst, senior statistician, statistical modeller.

## MASTER OF Biotechnology

CRICOS CODE 084698K

<b>DURATION</b> 1-2 years	<b>INTAKES</b> February, July
<b>FEES</b> \$40,800 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>ACADEMIC REQUIREMENT</b> Australian bachelor's qualification in a related field or recognised equivalent	

### OVERVIEW

Biotechnology, which has been employed for thousands of years in agriculture, food production and medicine, utilises cellular and biomolecular processes to develop such products and technologies. This course will equip you with a core competency in advanced molecular biotechnology approaches so that you're primed for a career that is vital to improving our lives and the health of our planet.

### KEY FEATURES

- Develop knowledge and skills in areas including molecular biology, protein biochemistry, proteomics and applied microbiology
- Advance your skills in critical thinking, experimental design and writing for peer-reviewed scientific literature
- Undertake a supervised research project, which will allow you to gain valuable hands-on experience

### CAREER OPPORTUNITIES

Biochemist, biological/clinical technician, biomanufacturing specialist, business development manager, clinical researcher, medical scientist, microbiologist, process development scientist, research and development manager.

## MASTER OF Conservation Biology

CRICOS CODE 086079K

<b>DURATION</b> 1-2 years	<b>INTAKES</b> February, July
<b>FEES</b> \$38,800 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>ACADEMIC REQUIREMENT</b> Australian bachelor's qualification or recognised equivalent, and two units in biology or approved work experience, professional certification or other recognised prior learning	

### OVERVIEW

Conserving the environment has become a global priority, and those with specialist skills in identifying and implementing strategies for preserving our rich diversity are in demand. This course, which focuses on the theory, practice and ethics of biological conservation from the level of wild populations to entire ecosystems, will equip you with such specialist skills.

### KEY FEATURES

- Macquarie is home to an 11-hectare fauna park, giving you access to world-class environmental research right here on campus.
- Access the latest research in conservation biology, including opportunities to complete independent research projects alongside your coursework
- Work in modern labs designed to foster collaboration and cutting-edge scientific research

### CAREER OPPORTUNITIES

Conservation policymaker, environmental consultant, national parks and catchment manager, natural resource manager, scientific education officer, scientific or project management in industry or government, threatened species manager.

## MASTER OF Environment

CRICOS CODE 084700K

<b>DURATION</b> 1-2 years	<b>INTAKES</b> February, July
<b>FEES</b> \$38,800 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>ACADEMIC REQUIREMENT</b> Australian bachelor's qualification or recognised equivalent	

### OVERVIEW

Through a multidisciplinary approach, you'll learn the skills and knowledge you'll need to evaluate the social and biophysical drivers of environmental change, so that as a graduate, you'll be equipped to seek innovative solutions to issues emerging around human-environment interactions.

### KEY FEATURES

- Foster your problem-solving ability, collaboration skills and cutting-edge scientific research knowledge with strong focus on practical work in the field and laboratories
- Combine scientific learning alongside an understanding of the social mechanisms that can be used to address complex environmental problems
- Learn from world-leading senior academics at the forefront of their disciplines with expertise ranging from environmental planning to in-the-field environmental management

### CAREER OPPORTUNITIES

Environmental sustainability officer, environmental consultant, environmental scientist, land care and catchment manager, local council environmental officer, national parks manager, senior resource management officer.

## MASTER OF Sustainable Development

CRICOS CODE 083810A

<b>DURATION</b> 1-2 years	<b>INTAKES</b> February, July
<b>FEES</b> \$38,800 AUD per year	<b>ENGLISH</b> IELTS 6.5 (6.0 each band)
<b>ACADEMIC REQUIREMENT</b> Australian bachelor's qualification or recognised equivalent	

### OVERVIEW

Develop your practical skills so that you're equipped to effect changes towards sustainable development. You'll have opportunities to develop your capabilities in a diverse range of areas, spanning the environment, society, business and law, according to your professional needs.

### KEY FEATURES

- Focus on change-oriented processes for sustainable development, including organisational change, education and capacity building, and strategic planning
- Opportunity to undertake a practical component either as work experience, consultancy practice or research
- Opportunity to study some units from the Macquarie Business School if you wish to work in organisational sustainability

### CAREER OPPORTUNITIES

Local council professional, sustainability coordinator for regional or national businesses, university academic

Selection rank is based on the Australian Tertiary Admission Rank (ATAR) for students completing an Australian senior secondary qualification.

See pages 95–98 for conversions to qualifications in your country or visit [mq.edu.au/academic-requirements](http://mq.edu.au/academic-requirements)

These annual fees are indicative only and may change.

**D** Double degree options exist for this course. See page 106 or visit [courses.mq.edu.au](http://courses.mq.edu.au) for more information.

The academic requirement listed is applicable to the longest postgraduate course duration. Academic requirements vary based on the admission point that you choose. There might be alternative ways to meet the academic requirements. For more information visit [courses.mq.edu.au](http://courses.mq.edu.au)

**1** This course can be completed in one year, subject to meeting the entry requirements for the one-year admission point. See page 105 or visit [courses.mq.edu.au](http://courses.mq.edu.au) for more information.

# Security, intelligence and criminology

The security environment – nationally and internationally – has been transformed over the past decade, meaning highly skilled graduates are in demand across the globe. Our courses and majors in criminology, cyber security and security studies are taught by senior academics and leading industry professionals, allowing you to build professional contacts with experts in Australia and overseas. These options will give you the tools and knowledge you need for a career in the fast-growing intelligence and security industry, including in government agencies and the private sector.

## **INDUSTRY-DESIGNED DEGREES**

Designed in partnership with our industry partners, our highly practical and unique courses in security studies, intelligence and cyber security have produced in-demand graduates who are working with the Australian Federal Police, KPMG, NSW Police, Qantas, cyber security consultancies and the defence forces.

## **DEGREES WITH INTERNSHIPS**

Through our multi-award-winning Professional and Community Engagement (PACE) program, you can undertake workplace experiences with more than 3000 industry partners in Australia and across the globe.

## **WORLD-CLASS FACILITIES**

The Optus Macquarie University Cyber Security Hub is a \$10-million joint investment, which promotes a uniquely interdisciplinary approach to tackle real-world challenges in cyber security.

# TAILORED ENTRY DESIGNED FOR (YOU)<sup>US</sup>

## MACQUARIE UNIVERSITY INTERNATIONAL COLLEGE

Developed specifically to meet Macquarie's entry requirements, the Macquarie University International College (MUIC) offers pathway programs with guaranteed fast entry into your undergraduate course. Upon successful completion of our Diploma or Foundation program, you will be well prepared to seamlessly transition to the first or second year of your chosen degree.

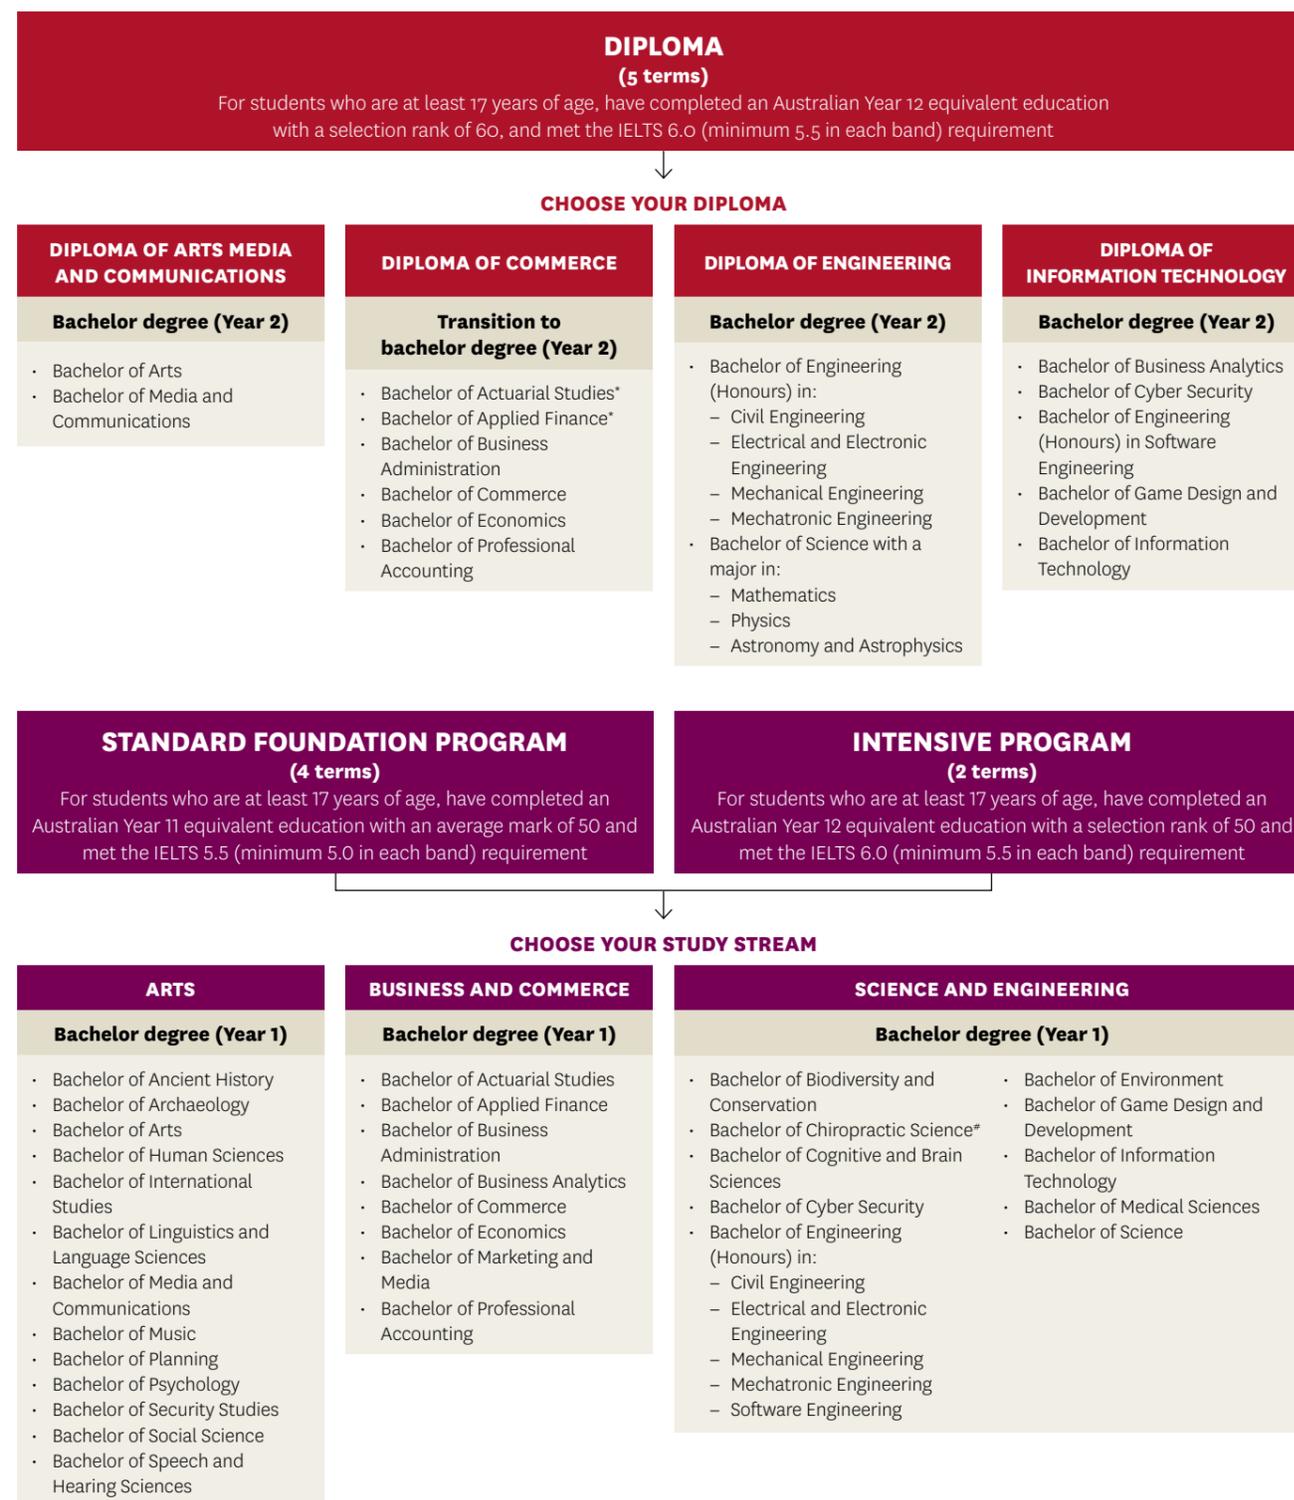

**FAST-TRACKED PATHWAY EDUCATION**  
With unique seven-week teaching terms, most of our pathway programs can be completed in six or eight months.

**GUARANTEED BACHELOR ENTRY**  
Subject to meeting articulation requirements, you can transition seamlessly into the first or second year of your chosen bachelor degree.

**SMALL AND DIVERSE CLASSES**  
Our small class sizes ensure you get personalised support and hands-on learning. You'll also study alongside many Australian and international students from all around the world.

## DIPLOMA, FOUNDATION AND INTENSIVE PATHWAY TO A DEGREE

The following pathway programs have been developed to specifically meet Macquarie's entry requirements. On successful completion of your program, you can seamlessly transition to your undergraduate course, as long as you meet the entry requirements.

\* Students receive less than one year of credit towards their degree.

\* Students may also select the Arts stream if they do not wish to take WFMA003.

Other factors are taken into consideration when reviewing your average mark; therefore, achieving the average mark does not guarantee you an offer. Selection rank is based on the Australian Tertiary Admission Rank (ATAR) for students completing an Australian senior secondary qualification.

Visit [mq.edu.au/academic-requirements](http://mq.edu.au/academic-requirements) for conversions to qualifications in your country.

Note: There might be requirements to articulate into specific degrees.

Find out more  
[mq.edu.au/college](http://mq.edu.au/college)

**STANDARD FOUNDATION Program**

CRICOS CODE 085296J

<b>TERMS</b> 4	<b>INTAKES</b> February, July, September
<b>DURATION</b> 35 weeks (including exams and breaks)	<b>ENGLISH</b> IELTS 5.5 (5.0 each band)
<b>FEES</b> \$26,400 AUD per year	<b>ACADEMIC</b> Australian Year 11 equivalent with selection rank 50

This program is tailored for students who have completed Year 11 studies.

**WHAT YOU WILL STUDY:**

- four core units
- four elective units chosen to align with your future degree.

**CORE UNITS**

- Academic English 1
- Academic English 2
- Information Technology
- Research for University Studies

**SELECT A STREAM AND CHOOSE 4 ELECTIVE UNITS FROM THAT STREAM**

Units may include:

- Biology
- Economics
- Mathematics 1
- Mathematics 2
- Mathematics 3
- Media

**INTENSIVE Program**

CRICOS CODE 094320F

<b>TERMS</b> 2	<b>INTAKES</b> February, March, September
<b>DURATION</b> 15 weeks (including exams and breaks)	<b>ENGLISH</b> IELTS 6.0 (5.5 each band)
<b>FEES</b> \$17,200 AUD per year	<b>ACADEMIC</b> Australian Year 12 equivalent with selection rank 50

The Intensive program is tailored for students who do not meet the entry requirements for diploma studies or university direct entry.

**WHAT YOU WILL STUDY:**

- two core units
- two elective units chosen to align with your future degree, depending on unit availability.

**CORE UNITS**

- Academic English 2
- Research for University Studies

**SELECT A STREAM AND CHOOSE 2 ELECTIVE UNITS FROM THAT STREAM**

Units may include:

- Biology
- Economics
- Mathematics 1
- Mathematics 2
- Mathematics 3
- Media

**DIPLOMA OF Arts Media and Communications**

CRICOS CODE 099295F

<b>TERMS</b> 5	<b>INTAKES</b> February, March, July, September
<b>DURATION</b> 44 weeks (including exams and breaks)	<b>ENGLISH</b> IELTS 6.0 (5.5 each band)
<b>FEES</b> \$32,000 AUD per year	<b>ACADEMIC</b> Australian Year 12 equivalent with selection rank 60

This program is tailored for students who have completed Year 12. It serves as an introduction to general arts, media and communications studies.

**WHAT YOU WILL STUDY:**

- eight core units to prepare you with fundamental knowledge in arts, media and communications

**CORE UNITS**

- Academic Communication in the Social Sciences and Humanities
- Critical Thinking
- Humanities and the World
- Introduction to Media and Mass Communications
- Media Practice and Production
- Media Technologies
- Multimodal Storytelling
- Visual Media and Communications

**DIPLOMA OF Commerce**

CRICOS CODE 099296E

<b>TERMS</b> 5*	<b>INTAKES</b> February, March, July, September
<b>DURATION</b> 44 weeks (including exams and breaks)	<b>ENGLISH</b> IELTS 6.0 (5.5 each band)
<b>FEES</b> \$32,000 AUD per year	<b>ACADEMIC</b> Australian Year 12 equivalent with selection rank 60

This program is tailored for students who have completed Year 12. It serves as an introduction to general business studies.

**WHAT YOU WILL STUDY:**

- seven core units to prepare you with fundamental knowledge in business
- one elective unit chosen to align with your future degree

**CORE UNITS**

- Academic Communication in Business
- Accounting in Society
- Business Statistics
- Finance 1A
- Marketing Fundamentals
- Principles of Economics 1
- Principles of Management

**ELECTIVES**

- Introduction to Mathematical Modelling<sup>^</sup>
- Mathematical Modelling 1A<sup>^</sup>

**DEGREE OPTIONS**

You can move straight into the second year of a selected Macquarie University bachelor degree in business, as long as you succeed in your studies. See page 83 for information about the available degrees and entry requirements.

**DIPLOMA OF Engineering**

CRICOS CODE 095020K

<b>TERMS</b> 5*	<b>INTAKES</b> February, March, July, September
<b>DURATION</b> 44 weeks (including exams and breaks)	<b>ENGLISH</b> IELTS 6.0 (5.5 each band)
<b>FEES</b> \$32,000 AUD per year	<b>ACADEMIC</b> Australian Year 12 equivalent with selection rank 60

This program is tailored for students who have completed Year 12. It serves as an introduction to general engineering studies.

**WHAT YOU WILL STUDY:**

- seven core units to prepare you with fundamental knowledge in engineering
- one elective unit chosen to align with your future degree

**CORE UNITS**

- Engineering Design
- Engineering Physics
- Introduction to Computer Programming
- Introduction to Engineering
- Introduction to Mathematical Modelling
- Mathematical Modelling 1A
- Mathematical Modelling IB

**ELECTIVES**

- Introduction to Civil Engineering
- Introduction to Mechanical Engineering
- Physics for Electrical and Electronics Engineering

**DEGREE OPTIONS**

You can move straight into the second year of a selected Macquarie University bachelor degree in engineering, as long as you succeed in your studies. See page 83 for information about the available degrees and entry requirements.

**DIPLOMA OF Information Technology**

CRICOS CODE 095021J

<b>TERMS</b> 5*	<b>INTAKES</b> February, March, July, September
<b>DURATION</b> 44 weeks (including exams and breaks)	<b>ENGLISH</b> IELTS 6.0 (5.5 each band)
<b>FEES</b> \$32,000 AUD per year	<b>ACADEMIC</b> Australian Year 12 equivalent with selection rank 60

This program is tailored for students who have completed Year 12. It serves as an introduction to general information technology studies.

**WHAT YOU WILL STUDY:**

- four core units to prepare you with fundamental knowledge in information technology (IT)
- four elective units chosen to align with your future degree

**CORE UNITS**

- Academic Communication in Science
- Introduction to Computer Programming
- Introduction to Cyber Security
- Introduction to Database Design and Management

**ELECTIVES**

- Accounting in Society
- Business Statistics
- Discrete Mathematics
- Fundamentals of Computer Science
- Introduction to Business Information Systems
- Introduction to Engineering
- Introduction to Video Games
- Marketing Fundamentals
- Mathematical Modelling 1A
- Principles of Management

**DEGREE OPTIONS**

You can move straight into the second year of a selected Macquarie University bachelor degree in IT, as long as you succeed in your studies. See page 83 for information about the available degrees and entry requirements.

\* This diploma consists of 8 credit units with additional non-credit support modules included where required.  
<sup>^</sup> Students should refer to the Handbook for specific unit requirements for their chosen degree.

Selection rank is based on the Australian Tertiary Admission Rank (ATAR) for students completing an Australian senior secondary qualification. Visit [mq.edu.au/academic-requirements](http://mq.edu.au/academic-requirements) for conversions to qualifications in your country.

Note: You can be 16 at the time of application but must be 17 years of age at the time of commencing your pathway program.

# WORLD-LEADING RESEARCH POWERED BY (YOU)<sup>US</sup>

## HIGHER DEGREE RESEARCH PROGRAMS

Macquarie University has a proud reputation for world-leading research that is recognised internationally. As one of Australia’s premier teaching and research institutions, Macquarie is your best choice for a higher degree research program. As a higher degree research candidate, you’ll be rewarded with an exceptional research training experience in an environment of highest quality and support.

### MASTER OF RESEARCH

First university in Australia to introduce an intensive research preparation degree

### COTUTELLE AND JOINT PHD

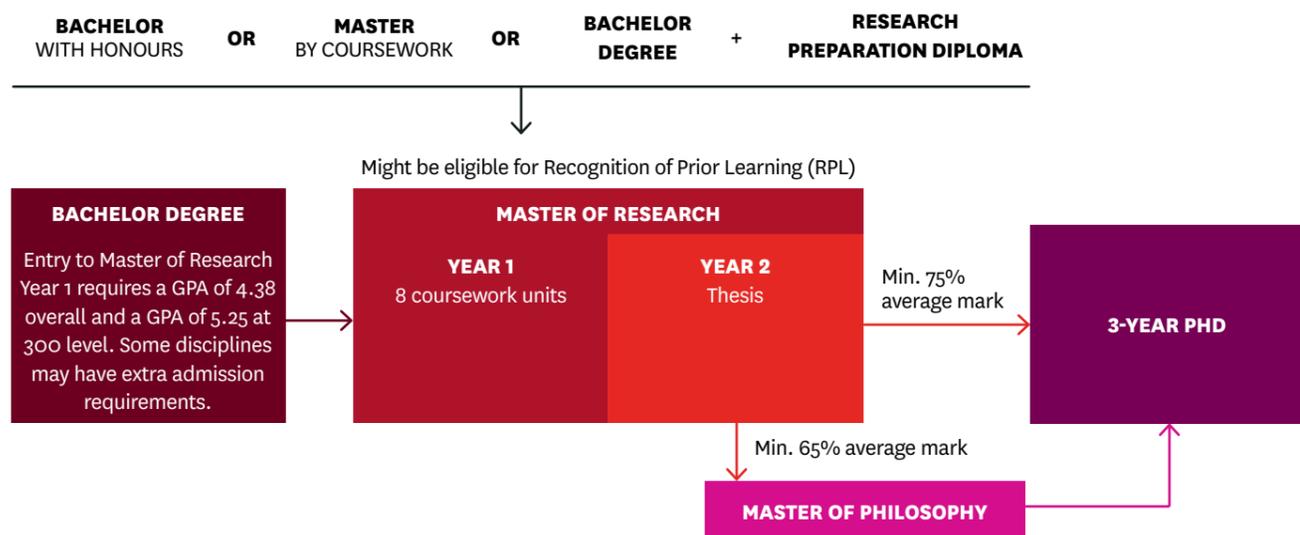

Spread your wings with our international network of research partners

### RESEARCH SUPPORT AND DEVELOPMENT

Access mentoring and development opportunities, enhance your skills and connect with peers

## PATHWAY TO A PHD

## RESEARCH DEGREES

<b>MASTER OF RESEARCH</b>	<a href="http://mq.edu.au/mres">mq.edu.au/mres</a>
<p>Regarded by the Australian Council of Learned Academies as the most innovative research pathway model, the Master of Research (MRes) prepares you to complete a PhD in three years – well short of the national average.</p> <p><b>PROGRAM STRUCTURE</b> The two-year course is available in all of Macquarie’s research areas and, subject to academic approval, allows you to construct a course relevant to your specific interests.</p> <p>In the first year, you’ll undertake advanced coursework units, while during the second year you’ll specialise in research preparation and focus on a specific research topic. You are required to submit a thesis of 20,000 words for completion.</p>	<p><b>ADMISSION REQUIREMENTS</b> This course requires a bachelor degree from a recognised institution with a minimum overall GPA of 4.38 on a 7-point scale and GPA of 5.25 at 300 level, although some disciplines may have extra admission requirements.</p> <p>If you hold an honours or masters degree, you may apply for Recognition of Prior Learning (RPL) (the equivalent of Year 1). This may allow you to complete the Master of Research in less than two years. Upon successful completion, you may be eligible to progress to one of Macquarie’s research courses: the Master of Philosophy or the Doctor of Philosophy.</p>
<b>MASTER OF PHILOSOPHY</b>	<a href="http://mq.edu.au/master-of-philosophy">mq.edu.au/master-of-philosophy</a>
<p><b>PROGRAM STRUCTURE</b> The period of candidature is two years, full-time equivalent. You are required to submit a thesis of 50,000 words for completion.</p>	<p><b>ADMISSION REQUIREMENTS</b></p> <ul style="list-style-type: none"> <li>completed Macquarie’s Master of Research with at least 65 per cent in Year 2 <b>OR</b></li> <li>completed a masters degree (at least two years) from another institution with a major research component (around 50 per cent thesis, approximately 20,000 words) at credit level (65 per cent or greater)</li> </ul>
<b>DOCTOR OF PHILOSOPHY (PHD)</b>	<a href="http://mq.edu.au/doctor-of-philosophy">mq.edu.au/doctor-of-philosophy</a>
<p><b>PROGRAM STRUCTURE</b> The period of candidature is three years, full-time equivalent. You are required to submit a thesis of 75,000 to 100,000 words for completion, depending on the discipline.</p>	<p><b>ADMISSION REQUIREMENTS</b></p> <ul style="list-style-type: none"> <li>completed Macquarie’s Master of Research with at least 75 per cent in Year 2 <b>OR</b></li> <li>completed a Master of Philosophy <b>OR</b></li> <li>completed a masters degree (at least two years) from another institution with a major research component (around 50 per cent thesis, approximately 20,000 words) at distinction level (75 per cent or greater)</li> </ul>
<b>JOINTLY SUPERVISED PHD PROGRAMS</b>	<a href="http://mq.edu.au/cotutelle-and-joint-phd">mq.edu.au/cotutelle-and-joint-phd</a>
<p>Macquarie’s global perspective is at the heart of everything we do. We prioritise deep, continuing relationships with international universities through joint research candidate supervision.</p>	<p><b>RESEARCH TRAINING PARTNERSHIPS</b> Macquarie is proud to have high-quality research training partnerships with universities in Asia, the UK, Europe, and North and South America: since 2007, we have hosted more than 300 cotutelle and joint PhD candidates from more than 110 universities in more than 30 countries.</p>

## HOW TO APPLY

**SCHOLARSHIP OPPORTUNITIES**  
Higher degree research scholarships include:

- Government-funded scholarships
- Macquarie University funded scholarships
- co-funded scholarships.

[mq.edu.au/research/scholarships](http://mq.edu.au/research/scholarships)

**RESEARCH SUPERVISORS**  
Find potential supervisors for higher degree research programs at [hdrss.mq.edu.au](http://hdrss.mq.edu.au)

**ENGLISH REQUIREMENTS**  
Proficiency in English is a requirement for admission to all higher degree research and research training programs at Macquarie.

[mq.edu.au/information-about/how-to-apply](http://mq.edu.au/information-about/how-to-apply)

**FEES, COSTS AND CRICOS CODES**  
Find out more [mq.edu.au/research/phd-and-research-degrees/fees-and-costs](http://mq.edu.au/research/phd-and-research-degrees/fees-and-costs)

# ARE YOU READY TO START YOUR JOURNEY WITH US?

Applying to study in Australia is a big step, and it can be both challenging and exciting. We understand these challenges, and we're here to help you every step of the way. Over the next few pages, we explain everything you need to know about application steps, scholarship programs, fees and costs and entry requirements.

**YOU TO THE POWER OF US**

# How to apply

Submitting an application to Macquarie as an international student is free and easy, and we aim to get back to you with an application outcome within 10 working days. Our International Student Advisors and country specialists are available to help you every step of the way.

TO APPLY, SIMPLY FOLLOW THE STEPS. →

APPLY NOW

## FREQUENTLY ASKED QUESTIONS

### ARE THERE APPLICATION DEADLINES?

For most courses, there are no specific deadlines; however, we recommend international students submit their applications at least three months before the session commences. A few specialist courses have specific deadlines with more information available at [courses.mq.edu.au](https://courses.mq.edu.au)

### HOW CAN I APPLY FOR SCHOLARSHIPS?

Most of our scholarships are assessed automatically at the time of your course application. To apply for scholarship, you must first submit a course application and receive an 8-digit Macquarie student number. For scholarships that require a separate application process, we recommend you submit your scholarship application after receiving an offer for your course.

### HOW DO I KNOW IF I'M ELIGIBLE FOR MY CHOSEN COURSE?

The best way to determine your eligibility for your chosen course is to submit a free application to us. We are unable to provide pre-assessment advice. Visit [mq.edu.au/academic-requirements](https://mq.edu.au/academic-requirements) for more information.

### CAN I WORK WHILE I STUDY?

If you wish to work while studying, you must hold a visa with permission to work. This allows you to work for a maximum of 40 hours per fortnight while your course is in session and for unlimited hours during break. Refer to [homeaffairs.gov.au](https://homeaffairs.gov.au) for more information.

# Scholarships and living costs

Each year, Macquarie University awards more than \$4 million in scholarships and grants. There is a wide range of scholarships for students from all backgrounds, so be sure to check our website for more information on eligibility and application details.

### VICE-CHANCELLOR'S INTERNATIONAL SCHOLARSHIP

Highly competitive, based on academic merit and valued up to AUD\$10,000 applied towards your tuition fees. Applicants must complete an online application after receiving a full course offer.

### COUNTRY AND REGIONAL SCHOLARSHIP

Valued at AUD\$5000 or AUD\$10,000 per year for undergraduate and postgraduate students of select countries. The scholarship amount is applied towards your tuition fees for duration of your program. Eligible students will be assessed automatically for this scholarship at the time of course application.

### ENGLISH LANGUAGE SCHOLARSHIP

A 50 per cent tuition fee scholarship for English language programs of up to 10 weeks, when packaged with a coursework degree, for students from select countries. Eligible students will be assessed automatically for this scholarship at the time of course application.

### MACQUARIE UNIVERSITY INTERNATIONAL COLLEGE SCHOLARSHIP

AUD\$3,000 one-off tuition fee grant deducted from your commencement fee for students commencing the Standard Foundation and Diploma programs at the Macquarie University International College. Eligible students will be assessed automatically for this scholarship at the time of course application.

### MERIT-BASED SCHOLARSHIPS

Macquarie University awards a range of merit-based scholarships for students in select disciplines. Visit [mq.edu.au/international/scholarships](https://mq.edu.au/international/scholarships) for more information.

- African Women in STEM Scholarship
- FIRST® Robotics Scholarship
- Women in Management and Finance Scholarship

### PARTNER- AND GOVERNMENT-FUNDED SCHOLARSHIPS

Macquarie is approved provider for many international government and academic institution scholarship programs. We also warmly welcome recipients of Australian Government funded scholarships.

### UAC INTERNATIONAL SCHOLARSHIP

One-off scholarships are awarded to students applying for a Macquarie University bachelor's degree through the Universities Admissions Centre (UAC). Eligible students will be assessed automatically for this scholarship at the time of course application.

### ALUMNI SCHOLARSHIP

A 10 per cent tuition fee scholarship for the duration of a postgraduate coursework program for alumni of Macquarie University. Eligible students will be assessed automatically for this scholarship at the time of course application.

### LIVING COSTS AND EXPENSES

Your cost of living and studying in Australia will depend on your lifestyle preferences.

The Department of Home Affairs has financial requirements you must meet in order to receive a student visa for Australia. As of January 2021, the 12-month living cost required for a single student is AUD\$21,041 per annum.

[homeaffairs.gov.au](https://homeaffairs.gov.au)

The table below estimates weekly expenses for living and studying at Australia. These estimates are a guide only and prices can vary.

COST	WEEKLY COST (AUD)
Rent	\$185-\$440
Gas and electricity	\$10-\$20
Phone and internet	\$15-\$30
Groceries and eating out	\$140-\$280
Public transport	\$30-\$60
Car (after purchase)	\$150-\$260
Entertainment	\$80-\$150

# Academic entry requirements

Our students come from diverse backgrounds and bring a range of qualifications and perspectives that makes study at Macquarie an exciting experience.

## UNDERGRADUATE

For direct admission into an undergraduate (bachelor) course, you will need one of the following qualifications:

- a recognised high school qualification or university entrance exam – see the following page for a selection of accepted qualifications
- a recognised university foundation course – we accept foundation courses from most Australian universities, as well as from some approved international providers
- a recognised diploma or associate degree deemed equivalent to Australian diploma or advanced diploma level
- at least one year of a university degree from a recognised institution deemed equivalent to Australian bachelor or master degree level

## SELECTION RANK

Macquarie uses a selection rank based on the Australian Tertiary Admission Rank (ATAR) to determine the minimum eligibility requirements for entry to each undergraduate course. See the tables on the next few pages for conversion of the selection rank into the minimum score you need for your qualification.

## MACQUARIE UNIVERSITY INTERNATIONAL COLLEGE

If you haven't met the requirements for your selected course, don't worry. The Macquarie University International College offers a range of pathway programs to prepare you for seamless transition into university studies.

Refer to pages 82–85 for more information.

Find out more [mq.edu.au/academic-requirements](https://mq.edu.au/academic-requirements)

## POSTGRADUATE

The course listings in this guide will note the specific entry requirements for our postgraduate (masters) coursework degrees. In most cases, entry requires a qualification recognised at Australian bachelor degree level or higher. Our Admissions team will determine whether your bachelor degree meets the requirement when you apply to Macquarie.

Entry to some courses may require a degree in a specific or related field of study and/or achievement of a particular weighted average mark (WAM) out of 100. Relevant work experience or professional accreditation may also be considered.

## WEIGHTED AVERAGE MARK (WAM)

A weighted average mark (WAM) represents your overall academic performance and is based on a percentage average (out of 100) of all your attempted study. The tables on pages 102–103 provide indicative WAM conversions for common grading systems in your country.

## HOW SCORES ARE CALCULATED

### GLOBAL

GCE A-Levels

Scores for the UK and international versions of the General Certificate of Education Advanced Level Examinations (GCE A-Levels) are calculated based on the aggregate of the three best A-level subjects using the following conversions: A\* = 6, A = 5, B = 4, C = 3, D = 2, E = 1. At least two subjects must have been taken in the same academic year, and the third may be from the preceding or following academic year.

Both UK and international versions of the GCE A-Levels administered by Cambridge International Examinations (CIE), Pearson Education International (Edexcel) and Oxford International AQA Examinations are assessed using these tables. Locally administered O-Level and A-Level examinations for Singapore, Sri Lanka and Zimbabwe are assessed using their own separate tables.

### GLOBAL

IB

Scores for the International Baccalaureate (IB) are calculated based on the final aggregate result for six subjects, including any bonus points from Theory of Knowledge subject and Extended Essay. This must include one subject from each of Groups 1-5 (Language & Literature; Language Acquisition; Individuals and Societies; Sciences; and Mathematics) and a sixth subject from either Group 6 (Arts) or a second selection from Groups 1-5. A minimum of three subjects must be completed at Higher Level (HL), with the remainder at Standard Level (SL).

### AUSTRALIA

HSC

Scores for the Australian High School Certificate (HSC) from New South Wales (or equivalent qualifications from other state boards) are based on the Australian Tertiary Admissions Rank (ATAR).

### AUSTRALIA

Australian Foundation

Scores for Australian Foundation programs recognised by Macquarie University are calculated based on the overall final result out of 10.0 or by converting percentage marks to a 10-point scale. For entry to some degree programs, students may need to have successfully completed suitable Mathematics or other specified subjects as part of their foundation program.

Accepted foundation programs include:

- Macquarie University Foundation or Intensive Program\*
- ANU College Foundation Studies Program
- Monash College Foundation Year
- University of Adelaide College Foundation Studies
- University of Melbourne – Trinity College Foundation Studies
- University of Queensland – IES College Foundation Year
- University of Sydney – Taylors College Foundation Program
- University of Western Australia – Taylors College Perth Foundation Program
- UNSW Global Foundation Program (Standard and Transition)
- UTS:INSEARCH Foundation Studies Program
- Western Australian Universities' (TISC) Foundation Program.

\*See [handbook.mq.edu.au](https://mq.edu.au/handbook) for required scores to articulate to degree programs.

### CANADA

AHSD

Scores for the Canadian Alberta High School Diploma (AHSD) are calculated as an average of the final official mark for the best four examined Level 30 subjects including English Language Arts 30.

### CANADA

BCCG

Scores for the Canadian British Columbia Certificate of Graduation (BCCG) are calculated as an average of final marks of the four best Grade 12 Ministry-developed subjects including English 12.

### CANADA

OSSD

Scores for the Canadian Ontario Secondary School Diploma (OSSD) are calculated as an average of the six best Grade 12 subjects including English - ENG4U. Subjects must be designated with a U (university preparation), M (university/college preparation) or Z (university-delivered dual credit).

### CHINA

Gao Kao

Scores are based on the final Chinese National Entrance Examination (Gao Kao) score out of 750. Total scores and requirements are different for three provinces: Hainan, Jiangsu and Shanghai.

### DENMARK

Danish USSE

Scores for the Danish Upper Secondary School Examination Certificate (USSE) are based on the final examination result of the Studentereksamen (STX) or Højere Forberedelseseksamen (HF).

### EUROPE

European Baccalaureate

Scores for the European Baccalaureate (EB) are based on the Overall Grade for all subjects reported on the final official result certificate.

### FIJI

Fijian Year 13 Certificate

Scores for the Fijian Year 13 Certificate are based on the aggregate scores for the four best subjects including English. Subject grades are converted as A=80, B=65, C=50 or 1-2=80, 3-4=65, 5-6=50.

### FINLAND

Finnish Matriculation Examination Certificate

Scores for the Finnish Matriculation Examination Certificate are calculated based on the average score of the four best subjects using the following conversions: laudatur = 7, eximia cum laude approbatur = 6, magna cum laude approbatur = 5, cum laude approbatur = 4, lubenter approbatur = 3, approbatur = 2, improbatur (fail) = 0.

### FRANCE AND OTHER

French Baccalaureate

Scores are calculated based on the overall grade in the Diplôme du Baccalauréat Général (French Baccalaureate).

### GERMANY

Abitur/Fachhochschulreife

Scores are calculated based on the overall grade average (Durchschnittsnote) of the Abitur or Fachhochschulreife.

### GREECE

Vevoiiosi Prosvasis

Scores for the Greek Vevoiiosi Prosvasis (Certificate of Access) examinations are based on the General Admission Grade (out of 20) for all subjects.

### HONG KONG

HKDSE

Scores for the Hong Kong Diploma of Secondary Education (HKDSE) are calculated based on the aggregate of the five best Category A and C subjects. Category B subjects are not considered.

Category A (Senior Secondary) subjects include the four compulsory core subjects (Chinese, English, Liberal Studies and Mathematics) and a choice of elective subjects. Category B subjects are Applied Learning electives and Category C subjects are for Other Languages (French, German, Japanese, Spanish, Hindi and Urdu).

Points for all subjects are calculated using the following score conversions: 5\*\*/5\* = 6, 5 = 5, 4 = 4, 3 = 3, 2 = 2, 1 = 1.

### HUNGARY

Hungarian Matriculation Certificate

Scores for the Hungarian Matriculation Certificate (Gimnáziumi Érettségi Bizonyítvány) are calculated based on the overall average grade on the examination results using the following conversions: Excellent/Very Good (Jeles) = 5, Good (Jó) = 4, Fair/Average (Közepes) = 3, Satisfactory/Pass (Elégséges) = 2, Fail (Elégtelen) = 1.

### INDIA

AISSC

Scores for the All India Senior School Certificate (AISSC) awarded by the Central Board of Secondary Education (CBSE) are calculated based on the average marks of the best four externally examined academic subjects.

### INDIA

HSSC

Scores for the Indian Higher Secondary School Certificate (HSSC) from state boards are calculated based on the average marks for all subjects.

### INDIA

ISC

Scores for the Indian School Certificate (ISC) awarded by the Council for Indian School Certificate Examinations (CISCE) are calculated based on the average marks for English and the three best academic elective subjects.

### INDONESIA

SMA

Scores for the Ijazah Sekolah Menengah Atas (SMA) are calculated based on the average of the final marks (out of 100) of all Grade 12 subjects.

### IRELAND

Ardeistiméireacht

Scores for the Irish Leaving Certificate (Ardeistiméireacht) are calculated based on an aggregate of the six best subjects, including a minimum of four higher level subjects. Grades are converted using the following system: Higher level subjects A1 = 100, A2 = 90, B1 = 85, B2 = 80, B3 = 75, C1 = 70, C2 = 65, C3 = 60, D1 = 55, D2 = 50 and D3 = 45; Ordinary level subjects A1 = 60, A2 = 50, B1 = 45, B2 = 40, B3 = 35, C1 = 30 and C2 = 25.

### ISRAEL

Teudat Bagrut

Scores for the Israeli Matriculation Certificate (Teudat Bagrut) are calculated based on the average of all subjects. Grades are calculated using the following conversions: 95-100 = 10, 85-94 = 9, 75-84 = 8, 65-74 = 7, 55-64 = 6, 45-54 = 5, 0-44 = 4.

## HOW SCORES ARE CALCULATED

### ITALY

Esame di Stato

Scores for the Italian High School State Exam (Esame di Stato) are calculated using the overall grade out of 100. Only the Classical, Scientific and Foreign Languages (classica, scientifica and linguistica) options are accepted.

### JAPAN

Japanese National Center Test

Scores for the Japanese National Center Test (大学入試センター試験) are calculated using the average of the seven best subjects' Hensachi scores. The Center Test results are considered together with evidence of successful completion of the Upper Secondary School Graduation Diploma (Kotogakko Sotsugyo Shomeisho or 高等学校卒業証書).

### KENYA

KCSE

Scores for the Kenyan Certificate of Secondary Education (KCSE) are calculated based on the aggregate score of the best seven subjects using the following conversions: A = 12, A- = 11, B+ = 10, B = 9, B- = 8, C+ = 7, C = 6, C- = 5, D+ = 4, D = 3, D- = 2, E = 1.

### LEBANON

Baccalauréat Libanais

Scores for the Baccalauréat Libanais (Lebanese General Secondary Certificate or **دبلوم ثانويات لبنان**) are calculated out of 20 based on the overall grade for all subjects (ie marks achieved/maximum marks \* 20).

### MALAYSIA

Matrikulasi

Scores are based on the completed Malaysian Matrikulasi Cumulative Grade Point Average (CGPA) using the following scoring system: A = 4.0, A- = 3.67, B+ = 3.33, B = 3.0, B- = 2.67, C+ = 2.33, C = 2.0, C- = 1.67, D+ = 1.33, D = 1.0, F = 0.0.

### MALAYSIA

STPM

Scores for the Sijil Tinggi Persekolahan Malaysia (STPM) are calculated based on the aggregate of the best 3 or 4 subjects out of a possible 5 subjects. Scores are calculated using the following conversions: A = 7, A- = 6, B+ = 5, B = 4, B- = 3, C+ = 2, C = 1, C- = 0, D+ = 0, D = 0, F = 0.

### MALAYSIA

UEC

Scores for the Malaysian Unified Examination Certificate (UEC) are calculated based on the average of the four compulsory subjects (Chinese, Malay, English and Mathematics) and the best four other subjects using the following conversions: A1 = 1, A2 = 2, B3 = 3, B4 = 4, B5 = 5, B6 = 6, C7 = 7, C8 = 8, F9 = 9.

### NEPAL

HSEC

Scores for the Nepalese Higher Secondary Education Certificate (HSEC) awarded by the Higher Secondary Education Board from 2018 are calculated based on the cumulative GPA (CGPA) of all Year 11 and 12 subjects.

### PHILIPPINES

High School Diploma

Scores for the Filipino High School Diploma (HSD) are based on the average marks of all Year 12 subjects. Assessment for bachelor entry applies to selected schools only.

### NORWAY

USSE

Scores for the Upper Secondary School Examination Certificate (USSE) are calculated based on the average grade for all subjects. This assessment only applies for the Vitnemål fra den videregående skole, Vitnemål for videregående opplæring or Examen Artium.

### SCOTLAND

Scottish National Courses

Scores for the Scottish National Courses are calculated based on the aggregate score of the best four Higher and Advanced Higher Level courses using the following conversions: Higher Level: A=3, B=2, C=1, D=0; Advanced Higher Level: A=5.5, B=4.5, C=3.5, D=2.5.

### SINGAPORE

Singapore A-Levels

Scores for the Singapore-Cambridge Advanced Level Examinations (Singapore A-Levels) are calculated based on the aggregate of a maximum of the three best H1 subjects, the three best H2 subjects and best H3 subject using the following conversions: H1 subjects: A = 2.5, B = 2, C = 1.5, D = 1, E = 0.5; H2 subjects: A = 5, B = 4, C = 3, D = 2, E = 1; H3 subjects: Distinction = 2.5, Merit = 1.5, Pass = 1. Up to one additional H2 or H3 subject may be taken into account for some applicants.

### SOUTH AFRICA

NSC

Scores for the South African National Senior Certificate (NSC) are calculated using the average grade of the best four examination subjects, excluding Life Orientation. Candidates must have been awarded the NSC and met the minimum requirements for admission to higher education in South Africa.

### SOUTH KOREA

CSAT

Scores for the Korean College Scholastic Ability Test (CSAT) are calculated based on the sum of the Stanine/Grades for either (a) Mathematics and the best two other subjects if the intended Macquarie degree program requires an assumed knowledge of Mathematics, or (b) the three best subjects. Only the following subjects are considered: Language Arts (Korean), English, Investigation subjects (Social Studies or Science options only) and Second Foreign Language subjects. CSAT results must be accompanied by evidence of successful completion of senior secondary studies.

### SRI LANKA

Sri Lankan A-Levels

Scores for the Sri Lankan General Certificate of Education Advanced Level Examinations (Sri Lanka A-Levels) are calculated on the basis of the best three subjects using the following conversions: A = 4, B = 3, C = 2, S = 1, F = 0.

### SWEDEN

Slutbetyg

Scores for the Swedish Upper Secondary School Leaving Certificate (Slutbetyg fran Gymnasieskolan) are based on the average grade for all subjects using the following conversions: A=20, B=17.5, C=15, D=12.5, E=10, F=0.

### SWITZERLAND

Swiss Federal Maturity Certificate

Scores for the Swiss Federal Maturity Certificate are calculated based on the aggregate score for all 12 subjects and the Maturity Project.

### TAIWAN

GSAT

Scores for the Taiwanese General Scholastic Aptitude Test (GSAT) are calculated based on the total score of the five examined subjects: Chinese, English, Mathematics, Social Sciences and Natural Sciences. GSAT results must be accompanied by evidence of successful completion of senior secondary studies.

### TANZANIA

ACSE

Scores for the Tanzanian Advanced Certificate of Secondary Education (ACSE) are calculated based on the aggregate of the best four subjects at Advanced (A2) or Principal Level using the following conversions: A=5, B=4, C=3, D=2, E=1.

### THAILAND

Mathayom 6

Scores for the Mathayom 6 are calculated based on the weighted average (out of 4.0) of all Grade 12 subjects.

### UGANDA

ACE

Scores for the Ugandan Advanced Certificate of Education (ACE) are calculated based on the aggregate of the best four subjects at Advanced (A2) or Principal Level using the following conversions: A=5, B=4, C=3, D=2, E=1.

### USA

ACT

Scores are calculated based on the American College Test (ACT) composite score out of a maximum of 36. The ACT is only considered together with evidence of successful completion of senior high school.

Applicants who have completed Advanced Placement (AP) subjects may be considered for credit towards the first year of study at Macquarie.

### USA

SAT (from 2016)

Scores are calculated based on the Scholastic Aptitude Test (SAT) total score out of a maximum of 1600. The SAT is only considered together with evidence of successful completion of senior high school.

Applicants who have completed Advanced Placement (AP) subjects may be considered for credit towards the first year of study at Macquarie.

### VIETNAM

Upper Secondary Diploma

Scores are calculated based on the average of all Grade 12 subjects from the Vietnamese Upper Secondary Education Graduation Diploma (Bang Tot nghiep Trung hoc Pho thong). Assessment for Bachelor entry applies to selected schools only.

### ZIMBABWE

ZIMSEC A-Levels

Scores for the Zimbabwean ZIMSEC General Certificate of Education Advanced Levels are calculated based on the aggregate of the best four subjects at Advanced (A2) or Principal Level using the following conversions: A=5, B=4, C=3, D=2, E=1.

	Group C: 7-point GPA scale where Pass = GPA 4.0 and Credit = GPA 5.0	4.0 (Pass average)	4.3 (Pass average)	4.7 (Pass average)	5.0 (Credit average)
	Group D: 4-point GPA scale where Pass = GPA 2.0 and Credit = GPA 3.0	2.0 (Pass average)	2.2 (Pass average)	2.5 (Pass average)	2.7 (Credit average)
	Group E: 4-point GPA scale where Pass = GPA 1.0 and Credit = GPA 2.0	1.0 (Pass average)	1.3 (Pass average)	1.7 (Pass average)	2.0 (Credit average)
Bangladesh	Groups A: 4-point GPA where GPA 2.0 = Grade D or C	2.0 (C or D average)	2.2 (C or D average)	2.5 (C+ average)	2.7 (B- average)
	Group B: 4-point GPA where GPA 2.25 = Grade D	2.2 (D average)	2.4 (D/D+ average)	2.6 (D+/C average)	2.8 (C average)
Brazil	10-point scale where 5 is the minimum full pass	5.0 (médio/regular)	5.6 (médio/regular)	6.7 (médio/regular)	7.4 (médio superior/bom)
	10-point scale where 6 is the minimum full pass	6.0 (médio/regular)	6.4 (médio/regular)	6.9 (médio/regular)	7.3 (médio superior/bom)
Canada	Group A: 4-point GPA where GPA 2.0 = Grade C	2.0 (C average)	2.2 (C average)	2.5 (C+ average)	2.7 (B- average)
	Group B: Percentage where Grade C or Satisfactory is between 60-69%	60 (C average)	64 (C average)	69 (C+ average)	73 (B-/B average)
Chile	7-point scale where 4.0 is the minimum full pass	4.0 (suficiente)	4.3 (suficiente)	4.7 (suficiente)	5.0 (bueno)
China	Percentage where 60% is minimum pass	60 (及格 Pass)	64 (及格 Pass)	69 (及格 Pass)	73 (中 Good)
Colombia	5-point scale where 3.0 is the minimum full pass	3.0 (Satisfactorio)	3.2 (Satisfactorio)	3.5 (Bueno)	3.7 (Bueno)
France	Group A (Grande Écoles): 20-point scale where 10 is minimum full pass	10.0 (Passable)	10.5 (Passable)	11.0 (Passable)	11.5 (Passable)
	Group B (Other institutions): 20-point scale where 10 is minimum full pass	10.0 (Passable)	10.7 (Passable)	11.3 (Passable)	12.0 (Assez Bien)
Germany	Group A (non-Law Graduates): Reverse 5-point scale where 4.0 is minimum full pass (units graded out of 15)	4.0 (ausreichend)	3.7 (ausreichend)	3.3 (ausreichend)	3.0 (befriedigend)
	Group B (Law graduates): 18-point scale where 4 is minimum full pass	4 (ausreichend)	5 (ausreichend)	7 (befriedigend)	8 (befriedigend)
Hong Kong	4-point GPA where GPA 2.0 = Grade C	2.0 (C average)	2.2 (C average)	2.5 (C+ average)	2.7 (B- average)
India	Group A: Percentage where Grade C or Second Class Honours = 50%	50 (Second Class)	53 (Second Class)	57 (Second Class)	60 (First Class)
	Group B: 10-point system where Grade C = 5.0	5.0 (C average/Pass)	5.3 (C average/Pass)	5.7 (C average/Pass)	6.0 (B average/Above average)
Indonesia	4-point GPA where GPA 2.0 = Grade C	2.0 (C average)	2.2 (C average)	2.5 (B-/BC average)	2.7 (B-/BC average)
Japan	Percentage where 60% is minimum pass	60 (ka (可)/C average)	64 (ka (可)/C average)	69 (ka (可)/C average)	73 (ryō (良)/B average)
Malaysia	Group A: 4-point GPA where minimum full pass is GPA 2.0	2.0 (C/PS2 average)	2.2 (C/PS2 average)	2.5 (C+/PS1 average)	2.7 (C+/PS1 average)
	Group B: Percentage where 50% = Grade C	50 (C/Credit average)	53 (C/Credit average)	57 (C/Credit average)	60 (B/Merit average)

## MACQUARIE UNIVERSITY INDICATIVE WAM EQUIVALENCIES (100-POINT SCALE WHERE 50 IS THE MINIMUM PASS SCORE)

COUNTRY	GRADING SYSTEM	WAM 50/MINIMUM ACCEPTED SCORE	WAM 55	WAM 60	WAM 65
Mexico	Percentage where minimum full pass is 70 (or 7.0 if scale is out of 10)	70 or 7.0 (Regular)	73 or 7.3 (Regular)	77 or 7.7 (Regular)	80 or 8.0 (Bien)
	Percentage where minimum full pass is 60 (or 6.0 if scale it out of 10)	60 or 6.0 (Suficiente)	64 or 6.4 (Suficiente)	69 or 6.9 (Suficiente)	73 or 7.3 (Regular)
Mongolia	4-point GPA where 2.0 is minimum pass for award of bachelor degree	2.0 (C-/C average)	2.2 (C-/C average)	2.5 (C/C+ average)	2.7 (B-/B average)
	Percentage where 70% is minimum pass for award of bachelor degree	70 (C-/C average)	73 (C-/C average)	77 (C/C+ average)	80 (B-/B average)
Nepal	Group A: 4-point GPA where GPA 2.5 or 2.7 = 50% or higher	2.5 (C average/Second Division)	2.7 (C average/Second Division)	2.8 (C average/Second Division)	3.0 (B average/First or Second Division)
	Group B: 4-point GPA where GPA 2.0 = 50% or higher	2.0 (C average)	2.2 (C average)	2.5 (C+ average)	2.7 (B- average)
Nigeria	5-point GPA where GPA 3.0 = Lower Second Class	3.2 (C average/Lower Second Class)	3.4 (C average/Lower Second Class)	3.5 (B average/Upper Second Class)	3.7 (B average/Upper Second Class)
Pakistan	Group A: 4-point GPA where 2.0 = Grade C	2.0 (C average)	2.2 (C average)	2.5 (C+ average)	2.7 (C+/B- average)
	Group B: 4-point GPA where 2.5 = Grade C or C-	2.5 (C/C- average)	2.7 (C/C+ average)	2.8 (C+ average)	3.0 (B- average)
Philippines	Group A: Reverse 5-point GPA where 3.0 is minimum pass	3.0 (Pass/Competent)	2.8 (Fair/Competent)	2.5 (Fair/Good)	2.3 (Good)
	Group B: 4-point GPA where 1.0 is minimum full pass = 70% (Grade D)	1.0 (D average/Passing)	1.3 (D average/Passing)	1.7 (D average/Fair)	2.0 (C average/Satisfactory)
Saudi Arabia	Group A: 5-point GPA where GPA 2.0 = minimum full pass (Grade D or 60%)	2.0 (D/Pass average)	2.3 (D/Pass average)	2.7 (D+/High Pass average)	3.0 (C/Good average)
	Group B: 4-point GPA where GPA 2.0 = Grade C	2.0 (C average)	2.2 (C average)	2.5 (C+ average)	2.7 (B- average)
	Group C: 100-point scale where minimum full pass = 60%	60 (D/Pass average)	64 (D/Pass average)	69 (D+/High Pass average)	73 (C/Good average)
Singapore	Group A: 5-point GPA where GPA 2.0 = minimum full pass	2.5 (C+ average)	2.8 (C+ average)	3.0 (B- average)	3.3 (B- average)
	Group B: 4-point GPA where GPA 2.0 = Grade C	2.0 (C average)	2.2 (C average)	2.5 (C+ average)	2.7 (B- average)
South Korea	4.3 or 4.5-point GPA where GPA 2.0 = Grade C	2.5 (C+ average)	2.7 (B- average)	2.8 (B- average)	3.0 (B average)
Taiwan	4.3-point GPA where GPA 2.0 = Grade C	2.0 (C average)	2.2 (C average)	2.5 (C+ average)	2.7 (B- average)
Thailand	4-point GPA where 2.0 is minimum full pass	2.0 (C average)	2.2 (C average)	2.5 (C+ average)	2.7 (B- average)
UK	Percentage where Lower Second Class = 50%	50 (Lower Second)	53 (Lower Second)	57 (Lower Second)	60 (Upper Second)
USA	Group A: 4-point GPA where GPA 2.0 = Grade C	2.0 (C average)	2.2 (C average)	2.5 (C+ average)	2.7 (B- average)
	Group B: Percentage where Grade C or Satisfactory is between 60% and 69%	60 (C average)	64 (C average)	69 (C+ average)	73 (B- average)
Vietnam	10-point scale where 5.0 is minimum full pass	5.0 (Trung binh)	5.6 (Trung binh)	6.1 (Trung binh)	6.7 (Trung binh)
